about which the world s press has already devoted numerous column inches from ex president gw bush 43 asking about lost property to playing hide and seek with his secret service protection dammit u guys r good to hilarious correspondence with the likes of tony blair the kasper hauser comedy group has filtered out the very best of the commander in chief s correspondence for your amusement obama s blackberry will be the perfect gift for fans of clever satire very silly humour and anyone who wonders what s really going on inside the oval office these days

**Moving in the Spirit** 1986 a practical manual that is a guide to taking the christian life into the world while keeping the contemplative spirit

For The Most Beautiful 2016-01-28 if you ve been gripped by pat barker s the women of troy and the silence of the girls then for the most beautiful is a must read for you three thousand years ago a war took place that gave birth to legends to achilles the greatest of the greeks and hector prince of troy it was a war that shook the very foundations of the world but what if there was more to this epic conflict what if there was another hidden tale of the trojan war now is the time for the women of troy to tell their story thrillingly imagined and startlingly original for the most beautiful reveals the untold story of krisayis daughter of the trojans high priest and of briseis princess of pedasus who fight to determine the fate of a city and its people in this ancient time of mischievous gods and mythic heroes in this novel full of passion and revenge loyalty and betrayal bravery and sacrifice emily hauser breathes exhilarating new life into one of the greatest legends of all in a tale that has waited millennia to be told brings ancient troy wildly raucously passionately alive manda scott author of boudica

**How Women Became Poets** 2023-08-22 this book that shows how ancient poets broke the silence of literary gender norms to express their own voices and thus illuminating long neglected discussions of gender in the ancient world in how women became poets emily hauser provides a startling new history of classical literature that redefines the canon as a constant struggle to be heard through and sometimes despite gender by bringing together recent studies in ancient authorship gender and performativity hauser offers gendered lens to issues of voice and identity in classical literature and poetry what emerges from this is a new literary history that reframes the authors of classical literature as both enforcing and exploring gender and shows for the first time how women broke the silence of gender norms around literary production to express their own voices by revisiting traditional assumptions about the canon of greek literature and highlighting the articulated construction of masculinity in greek poetic texts the book places ancient women poets back onto center stage as principal actors in the drama of the debate around what it means to create poetry much of the importance of this work is adding in female authors to the history of greek literature both well known and marginal while demonstrating how the idea of the author was born in the battleground of gender

The Last Hard Man 2012-04-01 sam lockwood worked for down and dirty harry s tattoo shop for three years since the big tough harley rider had the callahan brothers to have sex with on a regular basis sam didn t entertain the idea of a partner but once jean dulac the art professor from ucla entered the picture harry and clyde spent their spare time with him leaving sam on his own on lonely evenings sam called a sex chat line always asking for the same man brad to get him off after weeks of conversation that involved everything from taboo fantasies to sharing secrets sam began to feel an emotional attachment to this man or at least to his voice one evening sam goes to a local club to hear a live performer something about the man felt familiar to him then he figured it out the performer cody douglas was his phone sex actor for the fans who know sam from down and dirty as well as his hot sexual fling with alexander richfield in going wild they know sam lockwood is up for anything but even sam had no idea what to expect when he found out his phone sex operator was one of a set of identical twins and cody and cat douglas decided a hunk like sam was just what they were looking for

*The Black Lights* 2000-01-01 originally published in 1986 mcgraw hill the black lights was the first book that fully explored the sport and business of professional boxing upon joining the training camp of superlightweight billy costello thomas hauser was given unprecedented access to the fighter his manager and trainer as well as to the real heavyweights of the boxing world promoter don king and world boxing council president jose sulaiman the result according to playboy in their review of the original

is a book that explains why fighters fight what they go through to win and how they feel when they lose it is a great book in this gracefully written fast paced narrative the author slips quietly into the background and gives us a firsthand look at a business that is often cruel and exploitative and a sport that is at once violent and beautiful as the san francisco chronicle points out the black lights provides ammunition for both sides in the debate over boxing hauser has written what is clearly the most complete and fairminded work on the subject to date in an age when the controversy surrounding the evils and merits of boxing still rages this classic account is more timely than ever

**Design and Marketing of New Products** 1993 a complete and practical how to exploration of each step in the strategy opportunity identification design testing launch and profit management stages of new product development revision of over 75 of the book offers a managerial focus with an emphasis on understanding the issues and solving the problems by implementing a variety if state of the art methods and perspectives integrates marketing r d production engineering and financial aspects of new product design and marketing uses real world examples to illustrate issues and solutions

**Muhammad Ali** 2012-02-14 a sweeping biography of one of the greatest and most provocative athletes of all time a life that needs to be understood whether you care a whit about boxing or not the boston globe athlete activist rebel poet legend muhammad ali stood larger than life in the imagination of hundreds of millions of people around the world a gold medalist at the 1960 olympics he won the heavyweight championship at age twenty two by conquering sonny liston in dramatic fashion in the weeks after the upset victory he confirmed his membership in the nation of islam and told reporters he would no longer answer to his slave name cassius clay the political establishment stripped him of his heavyweight title when he refused induction into the united states army during the height of the war in vietnam ultimately ali returned to reclaim his crown prevailing in epic fights against the likes of joe frazier and george foreman his talent and charisma and above all his adherence to principle made him a cultural icon and one of the most beloved sporting figures of all time but that is only half the tale muhammad ali his life and times is also the story of ali the man author thomas hauser got closer to ali than any previous biographer his work told in ali s own words and those of hundreds of family members friends rivals and others who interacted with the greatest over the decades reveals a deeply spiritual complex man whose public and private battles including his struggle against the devastating effects of parkinson s disease gave new meaning to the word courage and changed forever our conception of what makes a champion heralded by the new york times as the first definitive biography of the boxer who transcended sports as no other athlete ever has muhammad ali his life and times is a must read for anyone seeking to understand the legacy of one of the twentieth century s most charismatic and controversial superstars this enhanced ebook includes rare video footage audio clips and photos authorized by muhammad ali enterprises

*Waiting for Carver Boyd* 2021-01-21 from the renowned author of muhammad ali his life and times thomas hauser s most riveting work to date tells the tale of a young fighter who rises from hard origins to challenge for the most coveted prize in sports the undisputed heavyweight championship of the world moving back and forth with increasing intensity between the bright lights and shadows of professional boxing waiting for carver boyd is about hope anger loss and belief in oneself it s a love story with a special twist hauser an unparalleled chronicler of the contemporary boxing scene strips the sport bare of its glamour and glitz to give readers an inside look at how the sweet science really works

**Notes on Directing** 2006 features notes gathered over frank hauser s successful career as a theatre director they document his teachings and his directions of such acting legends as alec guinness richard burton sir ian mckellen and kevin spacey this work offers a commentary on human interaction and a glimpse into the hidden process of creating live theatre
