A History of Greek Philosophy: Volume 4, Plato: The Man and His Dialogues: Earlier Period 1986-04-24

plato however so prolific a writer so profoundly original in his thought and so colossal an influence on the later history of philosophy that it has not been possible to confine him to one volume

Omnibus IV 2009-12

this edited volume brings together contributions from prominent scholars to discuss new approaches to plato's philosophy especially in the burgeoning fields of platonic ontology and psychology topics such as the relationship between mind soul and emotions as well as the connection between ontology and ethics are discussed through the analyses of dialogues from plato's middle and late periods such as the republic symposium theaetetus timaeus and laws these works are being increasingly studied both as precursors for aristotelian philosophy and in their own right and the analyses included in this volume reveal some new interpretations of topics such as plato's attitude towards artistic imagination and the possibility of speaking of a teleology in plato focusing on hot topics in the area psychology and ontology in plato provides a good sense of what is happening in platonic scholarship worldwide and will be of interest to academic researchers and teachers interested in ancient philosophy ontology and philosophical psychology

Psychology and Ontology in Plato 2019-01-11

this set selects the best and most influential examples of platonic scholarship published in english over the last fifty years and adds translations of outstanding works published in other languages

The Origin and Growth of Plato's Logic 1897

reproduction of the original plato and the other companions of sokrates by george grote

Plato Critical Assessments 1998

a step by step passage by passage analysis of the complete republic white shows how the argument of the book is articulated the important interconnections among its elements and the coherent and carefully developed train of thought which motivates its complex philosophical reasoning in his extensive introduction white describes plato's aims introduces the argument and discusses the major philosophical and ethical theories embodied in the republic he then summarizes each of its ten books and provides substantial explanatory and interpretive notes

Plato, and the Other Companions of Sokrates 2020-07-24

susan b levin argues that plato's engagement with medicine is richer than previously recognised and that he views it as an important rival for authority on nature and flourishing she further shows that plato's work particularly the laws holds significant promise for bioethics that has so far been nearly untapped

A Companion to Plato's Republic 1979-01-01

the works of plato analysis of plato the republic are original cosimo editions of a four volume work translated and analyzed by benjamin jowett all of the works contained within are also published as separate works but the four volume set has added commentary from jowett considered one of the best translators of plato s works there are three editions in the cosimo set volumes i and ii make up the first book and volumes iii and iv make up the second and third books this set is ideal for any scholar of plato and philosophy whether amateur or seasoned volume iv contains works discussing character and virtues finishing with plato s the laws a guide on how to properly live as a citizen in any society also included in volume iv charmides lysis laches protagoras ion sophist and statesman among others one of the greatest western philosophers who ever lived plato c 428 347 b c was a student of socrates and teacher of aristotle plato was greatly influenced by socrates teachings often using him as a character in scripts and plays socratic dialogues which he used to demonstrate philosophical ideas plato s dialogues were and still are used to teach a wide range of subjects including politics mathematics rhetoric logic and naturally philosophy

Plato's Rivalry with Medicine 2014

studies plato s republic and other dialogues

The Works of Plato 2010-07-01

this pioneering volume explores and exemplifies the relevance of psychoanalysis to contemporary philosophical problems the novelty of the book s viewpoint is the consideration of psychoanalysis as an existentialist mode of thinking that deals with current existential problems such as loneliness uncertainty struggling with personal tragedies and rehabilitation each chapter presents classic aspects of psychoanalytic theory based on greek tragedies as well as their similarities with interdisciplinary aspects in other areas of study like modern literature hermeneutics and philosophy of language to deepen each subject each chapter also applies an interdisciplinary methodology that illuminate previously hidden insights arising from the fusion of psychoanalysis and philosophy featuring contributions from well known scholars like professor avi sagi and professor dov schwartz as well as more up and coming writers the book suggests possible implications of philosophical hermeneutical and literary theories to the perception of post modern issues concerning agency and the subjective emotional world psychoanalytic investigations in philosophy is of great interest to scholars of psychoanalysis and hermeneutic philosophy as well as teachers and academics who want to explore new teaching methods in various disciplines and general interest readers who wish to expand their horizons around concepts that can be applied to better understand themselves and the age in which we live

Hippias Major 1855

a pioneering original work of synthesis that traces modern ideas about systems science and sustainable living back to classical antiquity

Plato's Ethics 1995

it is an excellent book highly intelligent interesting and original expressing high philosophy in a readable form without trivialising it is a very difficult task and mcaleer manages the task admirably plato is yet again intensely topical in the chaotic and confused world in which we are now living philip allott professor emeritus of international public law at cambridge university this book is a lucid and accessible companion to plato s republic

throwing light upon the text's arguments and main themes placing them in the wider context of the text's structure in its illumination of the philosophical ideas underpinning the work it provides readers with an understanding and appreciation of the complexity and literary artistry of Plato's Republic McAleer not only unpacks the key overarching questions of the text what is justice and is a just life happier than an unjust life but also highlights some fascinating overlooked passages which contribute to our understanding of Plato's philosophical thought Plato's Republic an introduction offers a rigorous and thought provoking analysis of the text helping readers navigate one of the world's most influential works of philosophy and political theory with its approachable tone and clear presentation it constitutes a welcome contribution to the field and will be an indispensable resource for philosophy students and teachers as well as general readers new to or returning to the text

Remarks on the Life and Writings of Plato 1760

In each of Plato's dialogues of definition Euthyphro Laches Meno Charmides Lysis Republic I Hippias Major Socrates motivates philosophical discussion by posing a question of the form what is F-ness yet these dialogues are notorious for coming up empty Socrates interlocutors repeatedly fail to deliver satisfactory answers thus the dialogues of definition are often considered negative empty of any positive philosophical content Justin C. Clark resists the negative reading arguing that the dialogues of definition contain positive Socratic answers in order to see the positive theory however one must recognize what Clark calls the dual function of the what is F-ness question Socrates is not looking for a single type of answer rather Socrates is looking for two distinct types of answers the what is F-ness question serves as a springboard for two types of investigation conceptual and causal the key to understanding any of the dialogues of definition therefore is to decipher between them Clark offers a way to do just that at once resolving interpretive issues in Socratic philosophy providing systematic interpretations of the negative endings and generating important new readings of the Charmides and Lysis whilst casting further doubt on the authenticity of the Hippias Major

Psychoanalytic Investigations in Philosophy 2023-02-24

Scholars of Plato are divided between those who emphasize the literature of the dialogues and those who emphasize the argument of the dialogues and between those who see a development in the thought of the dialogues and those who do not In this important book Russell Dancy focuses on the arguments and defends a developmental picture he explains the theory of forms of the Phaedo and Symposium as an outgrowth of the quest for definitions canvassed in the Socratic dialogues by constructing a theory of definition for the Socratic dialogues based on the refutations of definitions in those dialogues and showing how that theory is mirrored in the theory of forms his discussion notable for both its clarity and its meticulous scholarship ranges in detail over a number of Plato's early and middle dialogues and will be of interest to readers in Plato studies and in ancient philosophy more generally

Plato's Pigs and Other Ruminations 2020-10-15

Understanding Plato's Republic is an accessible introduction to the concepts of justice that inform Plato's Republic elucidating the ancient philosopher's main argument that we would be better off leading just lives rather than unjust ones provides a much needed up to date discussion of the Republic's fundamental ideas and Plato's main argument discusses the unity and coherence of the Republic as a whole written in a lively style informed by over 50 years of teaching experience reveals rich insights into a timeless classic that holds remarkable relevance to the modern world

Plato's 'Republic': An Introduction 2020-11-09

did plato abandon or sharply modify the theory of forms in later life in the phaedo symposium and republic it is generally agreed that plato held that universals exist but in parmenides he subjected that theory to criticism if the criticism were valid and plato knew so then the parmenides marks a turning point in his thought if however plato became aware that there are radical differences in the logical behaviour of concepts and the later dialogues are a record of his attempt to analyse those differences then plato's thought can be said to have moved in a new and vitally important direction after the parmenides studies in plato's metaphysics brings together twenty essays by leading philosophers from the uk and the usa reflecting upon this important issue and upon the questions arising from it

Plato's Dialogues of Definition 2022-07-21

offers an innovative reading of plato analyzing his metaphysical ethical and political commitments in connection with feminist critiques for centuries it has been the prevailing view that in prioritizing the soul plato ignores or even abhors the body however in plato and the body coleen p zoller argues that plato does value the body and the role it plays in philosophical life focusing on plato's use of socrates as an exemplar zoller reveals a more refined conception of the ascetic lifestyle epitomized by socrates in plato's phaedo symposium phaedrus gorgias and republic her interpretation illuminates why those who want to be wise and good have reason to be curious about and love the natural world and the bodies in it and has implications for how we understand plato's metaphysical and political commitments this book shows the relevance of this broader understanding of plato for work on a variety of relevant contemporary issues including sexual morality poverty wealth inequality and peace coleen p zoller is professor of philosophy at susquehanna university

Plato, and the Other Companions of Sokrates 1885

if we are to understand why plato had a theory of forms we must explain firstly why he thought it necessary to depart from the ontology of the socratic dialogues secondly why he then posited the existence of entities that have the characteristics that he ascribes to forms entities that are unmixed unchanging in every way being and so on and thirdly why plato took this course when other philosophers have not done so and even he himself and his immediate pupils were later to modify or abandon the theory in this study robert william jordan discovers an answer to these questions where we might expect to find one namely in the arguments plato gives us in favour of the hypothesis that there are forms these arguments on analysis reveal not just a concern with the nature of knowledge and explanation but an interest in the analysis of the apparent contradictions that plato in his middle period thought to be presented to the intellect by the sensible world these contradictions he then thought could not be resolved except by those with knowledge of the forms

Plato's Introduction of Forms 2004-09-16

menexenus is one of the least studied among plato's works mostly because of the puzzling nature of the text which has led many scholars either to reject the dialogue as spurious or to consider it as a mocking parody of athenian funeral rhetoric in this book pappas and zelcer provide a persuasive alternative reading of the text one that contributes in many ways to our understanding of plato and specifically to our understanding of his political thought the book is organized into two parts in the first part the authors offer a synopsis of the dialogue address the setting and its background in terms of the athenian funeral speech and discuss the alternative readings of the dialogue showing their weaknesses and strengths in the second part the

authors offer their positive interpretation of the dialogue taking particular care to explain and ground their interpretive criteria and method which considers plato's text not simply as a decontextualized collection of philosophical arguments but offers a theoretically reading of the text that situates it firmly within its historical context the book will become a reference point in the debate about the menexenus and plato's political philosophy more generally and marks an important contribution to our understanding of ancient thought and classical athenian society

Understanding Plato's Republic 2010-02-04

contradicting the long held belief that aristotle was the first to discuss individuation systematically mary margaret mccabe argues that plato was concerned with what makes something a something and that he solved the problem in a radically different way than did aristotle mccabe explores the centrality of individuation to plato's thinking from the parmenides to the politicus illuminating plato's later metaphysics in an exciting new way tradition associates plato with the contrast between the particulars of the sensible world and transcendent forms and supposes that therein lies the center of plato's metaphysical universe mccabe rebuts this view arguing that plato's thinking about individuals which informs all his thought comes to focus on the tension between generous or complex individuals and austere or simple individuals in dialogues such as the theaetetus and the timaeus plato repeatedly poses the question of individuation but cannot provide an answer later in the sophist the philebus and the politicus plato devises what mccabe calls the mesh of identity an account of how individuals may be identified relative to each other the mesh of identity however fails to explain satisfactorily how individuals are unified or made coherent mccabe asserts that individuation may be absolute and she questions philosophy's longtime reliance on aristotle's solution

Studies in Plato's Metaphysics 2012-09-10

a unique selection of four dialogues in which plato considers virtue individual virtue as well as virtue as a whole and its definition charmides laches and lysis investigate the specific virtues of self control courage and friendship the later meno discusses the concept of virtue as a whole and whether it is something that can be taught plato is a major figure in the history of western philosophy and these dialogues are an essential part of his work robin waterfield is an acclaimed translator of plato euripedes plutarch and aristotle the introduction and notes explain the course of the four dialogues and analyze the philosophical importance of socrates questions and arguments providing an invaluable aid to understanding for student and non specialist alike about the series for over 100 years oxford world's classics has made available the broadest spectrum of literature from around the globe each affordable volume reflects oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities voluminous notes to clarify the text up to date bibliographies for further study and much more

The Dialogues of Plato V.4 1953

through the explorations of excellent scholars this book provides a new understanding of plato's theaetetus an absolute masterpiece which contains fundamental insights about the nature of human cognition perception rationality which are still at the centre of the contemporary debate

Plato and the Body 2018-07-11

the meno one of the most widely read of the platonic dialogues is seen afresh in this original interpretation that explores the dialogue as a theatrical presentation just as socrates's listeners would have questioned and examined their own thinking in response to the presentation so klein shows should

modern readers become involved in the drama of the dialogue klein offers a line by line commentary on the text of the meno itself that animates the characters and conversation and carefully probes each significant turn of the argument a major addition to the literature on the meno and necessary reading for every student of the dialogue alexander seasonske philosophical review there exists no other commentary on meno which is so thorough sound and enlightening choice jacob klein 1899 1978 was a student of martin heidegger and a tutor at st john s college from 1937 until his death his other works include plato s trilogy theaetetus the sophist and the statesman also published by the university of chicago press

Plato's Arguments for Forms 2020-08-30

in this international and interdisciplinary collection of critical essays distinguished contributors examine a crucial premise of traditional readings of plato s dialogues that plato s own doctrines and arguments can be read off the statements made in the dialogues by socrates and other leading characters the authors argue in general and with reference to specific dialogues that no character should be taken to be plato s mouthpiece this is essential reading for students and scholars of plato visit our website for sample chapters

Politics and Philosophy in Plato's Menexenus 2015-05-01

two masterpieces of plato s later period the theaetetus offers a systematic treatment of the question what is knowledge the sophist follows socrates cross examination of a self proclaimed true philosopher

The Development of Plato's Ethics 2020-10-06

a remarkable book destined to become a classic in its field in the lucidity penetration and rigor of its analyses of the philosophical positions with which plato experiments in this dialogue and in its power to connect these positions with present day metaphysical and epistemological theories it has no superior

Plato's Individuals 2009-06-25

plato s epistemology presents an original interpretation of one of the central topics in plato s work epistemology moss argues against the grain of much modern scholarship that plato s epistemology is radically different from our own

Meno and Other Dialogues 2022-05-20

this is a reproduction of the original artefact generally these books are created from careful scans of the original this allows us to preserve the book accurately and present it in the way the author intended since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions we re happy to make these classics available again for future generations to enjoy

New Explorations in Plato's Theaetetus 1989

an ambitious and very well researched book on the way in which origen deals with a fundamental issue in ancient philosophy the position state and function of the soul in a living being it is a topic at the core of all anthropological and cosmological thinking in late antiquity in elegant lucid prose blosser takes the reader gently through the minefield of previous scholarship and presents a very clear and skillful exposition of origen as religious philosopher john a mcguckin professor of byzantine church history columbia university and editor of the westminster handbook to origen of alexandria book jacket

A Commentary on Plato's Meno 2000

rachana kamtekar offers a new understanding of plato s account of the soul and its impact on our living well or badly virtuously or viciously she argues that throughout the dialogues plato maintains that human beings have a natural desire for our own good and that actions and conditions contrary to this desire are involuntary

Who Speaks for Plato? 2013-02-22

the period from plato s birth to aristotle s death 427 322 bc is one of the most influential and formative in the history of western philosophy the developments of logic metaphysics epistemology ethics and science in this period have been investigated controversies have arisen and many new theories have been produced but this is the first book to give detailed scholarly attention to the development of dialectic during this decisive period it includes chapters on topics such as dialectic as interpersonal debate between a questioner and a respondent dialectic and the dialogue form dialectical methodology the dialectical context of certain forms of arguments the role of the respondent in guaranteeing good argument dialectic and presentation of knowledge the interrelations between written dialogues and spoken dialectic and definition induction and refutation from plato to aristotle the book contributes to the history of philosophy and also to the contemporary debate about what philosophy is

Plato's Theory of Knowledge 1990-01-01

the apology is analysed as a piece of philosophical rhetoric it proves surprisingly close to the philosophy of plato s main works and to fourth century rhetorical theory and practice this study also contains a detailed line by line commentary
