Report of the Deputy Keeper of the Public Records 1893 investigates security clearance given william wieland his meetings with fidel castro and activities as a state dept official both before and after castro s takeover of cuba also considers questionable state dept security practices

Proceedings of the American Philosophical Society Held at Philadelphia for Promoting Useful Knowledge 1893 how the nsf became an important yet controversial patron for the social sciences influencing debates over their scientific status and social relevance in the early cold war years the u s government established the national science foundation nsf a civilian agency that soon became widely known for its dedication to supporting first rate science the agency s 1950 enabling legislation made no mention of the social sciences although it included a vague reference to other sciences nevertheless as mark solovey shows in this book the nsf also soon became a major albeit controversial source of public funding for them

Proceedings of the American Philosophical Society Held at Philadelphia for Promoting Useful Knowledge 1893 when missiouri became the twenty fourth state in the union in 1821 it was already heir to a rich and varied historical legacy from 1673 until the louisiana purchase europeans of different nationalities assisted by the africans they brought with them competed alternately with indians and among themselves for control of the land but while land and resources were the target of the struggle the region s cultural identity was being determined by the mingling and clashing of diverse cultures indian french african spanish and anglo american the story of the blending of those diverse cultures in a land rich in resources and beauty is an extraordinary tale especially appealing to many readers will be the attention foley gives to common missourians to the status of women and blacks and to indian white

relations in this account the pioneer hunters trappers and traders who roamed the ozark hills and the boatmen who traded on the missouri and mississippi rivers take their places beside the small coterie of prominent st louisians whose wealth and influence enabled them to dominate the region politically and economically back cover

Proceedings of the American Philosophical Society 1889 english for mathematics is written to fulfill students needs to learn english as a preparatory for job communication this book is designed to provide an opportunity to develop students english skills more communicatively and meaningfully it consists of twenty eight units each unit presents reading writing and speaking section reading section consists of prereading reading comprehension and vocabulary exercises related to the topic of the text in writing section some structures and sentence patterns are completed with guided writing exercises meanwhile in speaking section students are provided with models and examples followed by practical activities which are presented in various ways in addition students are also equipped with listening comprehension skill which is presented in a separate textbook the materials have been arranged and graded in accordance with their language levels above of all to improve the quality of this textbook criticism and suggestions for better editions are highly appreciated

The City Record 1982 this final volume details the last decade of marshall s life this seventh and final volume of the papers of george catlett marshall covers the last ten years of marshall s life when he served as secretary of defense from september 1950 to september 1951 following a year as american red cross president dramatic swings in fortune for us and un forces in korea consumed him as defense secretary yet europe remained marshall s strategic focus and with it the establishment of a nato military command efforts to convince the french to accept german rearmament congressional approval for a major us military buildup and a mutual security program for america s allies marshall also participated in the decision to relieve general douglas macarthur sparking public uproar and a senate investigation marshall remained active and honored in retirement particularly in 1953 when he led the us delegation to the coronation of queen elizabeth ii and then became the first professional soldier to win the nobel peace prize a tribute to the marshall plan through it all he maintained an extensive correspondence with national and international leaders when he died on october 16 1959 george catlett marshall was hailed by many as the nation s greatest soldier statesman since george washington
