## ***American Girl's Book***

2017-10-18

excerpt from the american girl s home book of work and play long ago when the writer was young she owned a little book consulted with never flagging enthusiasm and written by a woman who did the first intelligent and sympathetic work for children ever accomplished in this country in mrs lydia maria child s girl s own book such plays as the more rigorous educational theories of the time allowed were set forth in order and there were also sundry small occupations for amusement the crystallized grasses alum baskets and various ornamental works still to be found in old houses testifying to the zeal with which her instructions were followed the little book is now in many points as antiquated as if written in the fifteenth instead of the nineteenth century and yet it embodies a plan which has never since been carried out that of combining all the occupations as well as amusements practicable in a mixed family of all ages and tastes as yet though boys are provided for girls have no book that will be a trustworthy guide either in work or play and it is hoped that the present one will fill that long unoccupied niche which many authors have felt it their mission to redeem from emptiness and become the trusted friend and adviser of all the girls who are uncertain what is best in either work or play about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

## ***Ultimate Sticker Collection: American Girl***

2016-09-06

a new york times bestseller instagram whisper youtube kik ask fm tinder the dominant force in the lives of girls coming of age in america today is social media what it is doing to an entire generation of young women is the subject of award winning vanity fair writer nancy jo sales s riveting and explosive american girls with extraordinary intimacy and precision sales captures what it feels like to be a girl in america today from montclair to manhattan and los angeles from florida and arizona to texas and kentucky sales crisscrossed the country speaking to more than two hundred girls ages thirteen to nineteen and documenting a massive change in the way girls are growing up a phenomenon that transcends race geography and household income american girls provides a disturbing portrait of the end of childhood as we know it and of the inexorable and ubiquitous experience of a new kind of adolescence one dominated by new social and sexual norms where a girl s first crushes and experiences of longing and romance occur in an accelerated electronic environment where issues of identity and self esteem are magnified and transformed by social platforms that provide instantaneous judgment what does it mean to be a girl in america in 2016 it means coming of age online in a hypersexualized culture that has normalized extreme behavior from pornography to the casual exchange of nude photographs a culture rife with a virulent new strain of sexism and a sometimes self undermining notion
