celebrate america s premier performance car from the original shelby mustang gt350 to today s 700 plus horsepower gt500 carroll shelby and ford motor co have defined high performance with their shelby mustangs shelby built his mustangs from 1965 until 1970 at a time when it seemed that the muscle car was a dying breed then an odd thing happened people began to realize the classic nature of the car almost as soon as shelby stopped building them and prices began to climb by the end of the decade the shelby mustang had become one of the first muscle cars to attain classic status along with the price hike that went along with that recognition prices continued to rise into the next century a 1967 shelby mustang gt500 fetched 451 000 at auction in 2006 at which time production of new shelby mustangs began for the first time in 36 years since then prices have cooled a bit but not nearly as much as they have for other muscle cars shelby mustangs still occupy the top slot at

most auctions and shelby continues to build the popular modern versions of the mustang today this book tells the story of these amazing cars from the initial collaboration with ford to today s record setting high tech muscle cars publisher description

Shelby Mustang Fifty Years 2000-12-03

the original mustang was re skinned and became heavier for 1967 but this was boom times in the muscle car market and there was a demand for mustangs with higher performance over the next seven years which included a major redesign in 1971 ford fielded a vast array of high performance options these options remain quite rare which makes the shelby mustangs the mach 1 351 and the boss models much for desirable today this book puts everything neatly into context contemporary road and comparison tests specification and technical data new model introductions and driver s impressions are all here models covered include shelby gt350 shelby 500 390 gt 427 428 cobra jet boss 429 428 mach 1 grandt boss 302 351 mach 1 trans am mustang 351ho
