Secrets of Cancer Survivors 2007

the effects of the holocaust on those who survived it are immeasurable how can one experience the trauma of the concentration camps being reduced to a helpless witness of the brutality of torture medical experiments and execution of those around you how can one survive this and remain the same in many ways the holocaust has drastically effected those who survived and in holding on to humanity shamai davidson explores the complex results of this dehumanizing experience as a psychiatrist and psychoanalyst practicing in israel davidson spent 30 years working with this special group trying to understand the nature of their experience uniquely skillful in evoking from survivors their most silenced stories davidson concentrated on giving them voice and recorded memory davidson worked on this book for many years since 1972 it was a dream of his to write an authoritative work on the life experiences of the holocaust survivors and their families but unfortunately davidson died in 1986 at the age of 59 this book is the result of extensive effort by israel w charny to complete the project at the request of davidson s widow jenny davidson shamai davidson was born in 1926 in dublin in his youth he witnessed from afar the nazi rise to power and the death of his aunts and cousins in the ghettos of warsaw lodz and the gas chambers of treblinka davidson studied medicine at the university of glasgow and completed his psychiatric residency at oxford university medical school in 1955 after which davidson secured a position as a psychiatrist at talbieh psychiatric hospital in jerusalem it is at this point that he encountered the subject that he would pursue for the remainder of his life davidson cofounded the institute on the holocaust and genocide along with israel w charny and elie wiesel and worked as a psychiatrist and psychoanalyst treating holocaust survivors until his death

SECRETS OF CANCER SURVIVORS (EasyRead Large Bold Edition) 1995-06

what made emily dickinson the reclusive woman she was and the dynamic poet she became a wounded deer concludes that her enigmatic poetry may have originated from a personal exposure to incest and examines how she used her craft to make the transition from victim to survivor at a time when the medical profession failed to acknowledge any damage related to this event research into the dickinson family background evidence from letters and poems and the testimony of people who knew the poet indicate that she apparently displayed at least 33 of 37 incest survivors aftereffects from a diagnostic tool used internationally by many therapists when a client exhibits over 25 of these behavior patterns sexual abuse is strongly suspected the second section of the book deals with the three stage of recovery from complex post traumatic stress as outlined by trauma expert judith herman remarkably dickinson seems to have completed stages one and two but was unable to complete stage three because she could not reconnect with the outside world writing was dickinson s way of identifying the nature of her trauma coming to terms with its impact breaking the silence to inspire future women writers and reconstructing a new persona albeit from the sanctuary of her self imposed isolation the final section of a wounded deer examines what the poet might have discovered about sexual abuse from the literature she read and how she responded to this information in her own work it discusses the bible shakespeare byron hawthorne charlotte brontë george eliot and barrett browning a wounded deer is fascinating clearly written difficult to put down and a must for dickinson scholars psychologists and anyone interested in psychological interpretations of literature marilyn berg callander president elect of the fulbright association a wounded deer is well worth reading its argument is clear cogent and at times riveting although we will never know the truth of the

poet s life this study offers readers a very plausible suggestion of what may be at the core of dickinson s omitted center
maryanne garbowsky english professor at the county college of morris nj and dickinson scholar this is a groundbreaking book a
fascinating and revealing read e sue blume lcsw diplomate in clinical social work author secret survivors uncovering incest
and its aftereffects in women 1990 ballantine books how many multitudes of women have been terrorized into silence
withholding the truth of their damning accusations rather than face their fear condemnation and shame of incest emily allows
her soul to reach over time and space to tell others tortured by life s tragedies that they are not alone and doing so the
poet triumphs sandra bloom has served as president of the international society for traumatic stress studies president of the
philadelphia physicians for social responsibility and chair of the task force on family violence for the attorney general she
is the author of two books

Holding on to Humanity 2009-03-26
