Generation Ecstasy 2013-06-19 in generation ecstasy simon reynolds takes the reader on a guided tour of this end of the millenium phenomenon telling the story of rave culture and techno music as an insider who has dosed up and blissed out a celebration of rave s quest for the perfect beat definitive chronicle of rave culture and electronic dance music

**Ecstasy and the Rise of the Chemical Generation** 2013-03-07 this book about ecstasy users lives is based on one of the biggest government funded projects ever undertaken and gives voice to the chemical generation for the first time in the uk where the study was conducted over fifty per cent of young people use drugs a quarter of them regularly the people in this book are ordinary decent family loving people with normal lives normal problems and normal aspirations through their own words we hear how they first started using ecstasy how they use it in different ways why clubbing and raving are so important how good sex is on ecstasy how they chill out how they come down what problems they encountered and why they quit this path breaking book ends by trying to answer the questions on the lips of every member of the chemical generation what are the long term effects of ecstasy because we can t answer them the authors claim we are failing in our duty to our children telling them not to take ecstasy is alienating and pointless

**Ecstasy: The Clinical, Pharmacological and Neurotoxicological Effects of the Drug MDMA** 2012-12-06 the variety of viewpoints expressed in this book illustrate the many contro versies surrounding mdma 1 on the one hand the proponents ofmdma use believe this agent offers a unique psychoactive effect that may have important clinical applications especially in the field of psychotherapy on the other hand the scientific data concerning the neurotoxic effects of the drug are unequivocal the most striking feature of the human information of mdma is the paucity of data that has been generated on the drug since it was patented in 1914 as pointed out by beck chapter 6 and others a clear need exists for better epidemiological and clinical data on mdma in the absence of such data arguments both for and against the cotinued use ofmdma with humans will be difficult to support unfortunately the currently available data must be used to develop rational policies for potential human users of mdma at the present time there are no data indicating that recreational doses of mdma permanently damage the human brain nonetheless based on a review of the contents of this book as well as on informal discussions with approximately 200 recreational users of mdma the following personal observations suggest that mdma is radically different from other recreational drugs

**Chaotopia! Sorcery and Ecstasy in the Fifth Aeon** 2006-01-01 chaotopia is neither utopia nor its opposite it is what austin osman spare called the chaos of the normal seen through an illuminated eye the eye of the sorcerer it includes updates and evaluations of techniques in chaos magick and an exploration of ecstatic states in relation to both magick and mysticism also chapters on wealth magick conflict and exorcism sex magick body alchemy and healing magick and physics chaos illumination spirits aionics

*Ecstasy: The Complete Guide* 2001-08 written by the world s leading experts on mdma ecstasy the complete guide takes the first unbiased look at the risks and the benefits of this unique drug including the science of how it works its promise as a treatment for depression post traumatic stress disorders and other mental illnesses and how to minimize the risks of use

Chassidic Ecstasy in Music 2009 music is of paramount importance in judaism on the verse hearken unto the song and the prayer which your servant prays before you this day i kings 8 28 the gemarrah states that wherever there is song there shall be prayer and indeed in the temple song was an inseparable element of the sacrificial services thereafter finding its position in the prayers and the torah reading with its special melody in the synagogue chassidism employed music as one of its main avenues for serving g d music served to bring the individual to a state of awakening and joy nullifying sadness which was seen as an element that could only lead to negativity joy allowed one to reach ever higher levels in the service of g d leaving one s sorrows behind as explained by the founder of the modzits chassidic court rabbi yehezkel of kozmir when interpreting the verse with joy you shall go forth isaiah 55 to mean that through joy we shall go forth from all our difficulties in this book shmuel barzilai takes the reader on a brief and concise tour of the chassidic courts and their world of music it explains the wordless melody niggun which is perhaps even more important than songs having words the importance of dance the place of honor given to shabbat songs and the role of music in kabbalah the book provides an overview of the activities of rabbis who composed and sang at every opportunity whether in the synagogue or while conducting the traditional tisch where chassidic adherents gathered each shabbat and festival to hear their rebbe explain sections of torah sing and interpret sayings on music barzilai also discusses melodies niggunim that became particularly famous or derived from non jewish sources but underwent a process that allowed them to be adopted by the admoric leaders and integrated into the chassidic court s repertoire

*Hieroglyphics* 2016-01-30 it was my privilege many years ago to make the acquaintance of the obscure literary hermit whose talk i have tried to reproduce in the pages that follow our first meeting was one of those chance affairs that now and then mitigate the loneliness of the london streets and a second hazard led to the discovery that we had many interests in common i think that the hermit as i shall call him had begun to find the perpetual solitude of his years a growing terror and he was not sorry to have a listener at first indeed he talked almost with the joy of a child or rather of a prisoner who has escaped from the house of silence but as he chose subjects which have always interested me intensely he gave as much pleasure as he received and i became an assiduous visitor of his cell he had found an odd retreat he avoided personalities and had a happy knack of forgetting any that i vouchsafed on my side he forgot my name three times on the first evening that we spent together and succeeded in repeating this feat over and over again since then and i never gathered much of his past history but i believe that something had happened many years before in the prehistoric age of the seventies there had been a break of some sort in the man s life when he was quite young and so he had left the world and gone to barnsbury an almost mythical region lying between pentonville and the caledonian road here in the most retired street of that retired quarter he occupied two rooms on the ground floor of a big mouldy house standing apart from the street and sheltered by gaunt grown trees and ancient shrubs and just beside the dim and dusty window of the sitting room a laburnum had cast a green stain on the decaying wall the laburnum had grown wild like all the trees and shrubs and some of its black straggling boughs brushed the pane and of dark windy nights while we sat together and talked of art and life we would be startled by the sudden violence with which those branches beat angrily upon the glass

*Ecstasy in the Classroom* 2018-12-04 can ecstatic experiences be studied with the academic instruments of rational investigation what kinds of religious illumination are experienced by academically minded people and what is the specific nature of the knowledge of god that university theologians of the middle ages enjoyed compared with other modes of knowing god such as rapture prophecy the beatific vision or simple faith ecstasy in the classroom explores the interface between academic theology and ecstatic experience in the first half of the thirteenth century formative years in the history of the university of paris medieval europe s fountain of knowledge it considers little known texts by william of auxerre philip the chancellor william of auvergne alexander of hales and other theologians of this community thus creating a group portrait of a scholarly discourse it seeks to do three things the first is to map and analyze the scholastic discourse about rapture and other modes of cognition in the first half of the thirteenth century the second is to explicate the perception of the self that these modes imply the possibility of transformation and the complex structure of the soul and its habits the third is to read these discussions as a window on the predicaments of a newborn community of medieval professionals and thereby elucidate foundational tensions in the emergent academic culture and its social and cultural context juxtaposing scholastic questions with scenes of contemporary courtly romances and reading aristotle s analytics alongside hagiographical anecdotes ecstasy in the classroom challenges the often rigid historiographical boundaries between scholastic thought and its institutional and cultural context

*Listening to Ecstasy* 2020-10-20 a personal narrative and guide to the safe responsible use of mdma for personal healing and social transformation details the author s 50 years of responsible experimentation with mind altering substances and how ecstasy has helped him become a better therapist explains how he and his wife found ecstasy to be the key to renewing and enriching their lives and marriage as they entered their senior years describes what the experience actually feels like and provides protocols for the safe responsible recreational and celebrational use of mdma for individuals and groups in a world that keeps us separate from each other mdma is the chemical of connection aptly known in popular culture as ecstasy mdma helps us rediscover our own true loving nature often obscured by the traumas of life on its way to becoming a prescription medication due to groundbreaking research on its use to treat ptsd ecstasy can offer benefits for all adult life stages from 20 somethings to seniors in this memoir and guide to safe use charles wininger a licensed psychoanalyst and mental health counselor details the countless ways that ecstasy has helped him become a better therapist and husband he recounts his coming of age in the 1960s counterculture his 50 years of responsible experimentation with mind altering substances and his immersion in the new psychedelic renaissance he explains how he and his wife found ecstasy to be the key to renewing and enriching their lives as they entered their senior years it also strengthened the bonds of their marriage countering the fearful propaganda that surrounds this drug wininger describes what the experience actually feels like and explores the value of ecstasy and similar substances for helping psychologically healthy individuals live a more optimal life he provides protocols for the responsible recreational and celebrational use of mdma including how to perfect the experience maximize the benefits and minimize the risks and how it may not be for everyone he reveals how mdma has revitalized his marriage both erotically and emotionally and describes how pleasure fun and joy can be profound bonding and transformative experiences revealing mdma s versatility when it comes to bringing lasting renewal pleasure and inspiration to one s life wininger shows that recognizing the transformative power of happiness inducing experiences can be the first step on the path to healing

**In Ecstasy** 2008-01-01 mia and sophie have been best friends forever but that s all about to change experimenting with alcohol flirting with boys and dabbling in drugs things quickly spiral out of control sophie after a particularly nasty experience reigns herself in but mia seems bent on self destruction rejecting her old life she embraces the new and exciting world that opens up for her with drugs almost lost mia finally claws her way back with the help of her family and finally her renewed friendship with sophie

Words of Ecstasy in Sufism 1985-01-01 this is the first in depth study in english of the import and impact of ecstatic utterances shathiyat in classical islamic mysticism it makes available an important body of mystical aphorisms and reveals not only the significance of these sayings in the sufi tradition but also explains their controversial impact on islamic law and society this study describes the development and interpretation of shathiyat in classical sufism and analyzes the principal themes and rhetorical styles of these sayings using as a basis the authoritative commentary on ecstatic sayings by ruzbihan baqli of shiraz the special topic of mystical faith and infidelity receives particular emphasis as a type of ecstatic expression that self reflectively meditates on the inadequacy of language to describe mystical experience the social impact of ecstatic sayings is clarified by an analysis of the political causes of sufi heresy trials nuri hallaj and ayn al qudat and the later elaboration of sufi martyrologies this study also examines the attitudes of islamic legal scholars toward shathiyat and concludes with a comparison of sufi ecstatic expressions with other types of inspired speech

*Romantic Paganism* 2018-02-05 this book addresses the function of the classical world in the cultural imaginations of the second generation of romantic writers percy shelley mary shelley thomas love peacock john keats leigh hunt and the rest of their diverse circle the younger romantics inherited impressions of the ancient world colored by the previous century in which classical studies experienced a resurgence the emerging field of comparative mythography investigated the relationship between christianity and its predecessors and scientific and archaeological discoveries began to shed unprecedented light on the ancient world the shelley circle embraced a specifically pagan ancient world of excess joy and ecstatic experiences that test the boundaries between self and other though dubbed the satanic school by robert southey this circle instead thought of itself as athenian and frequently employed mythology and imagery from the classical world that was characterized not by philosophy and reason but by wildness excess and ecstatic experiences

*True Fictions* 2013-09-12 rave may be over but the traces of mdma in your brain aren t going anywhere so take a trip back to the days of baggy pants glow sticks and pacifiers with ecstasy in the cacophony page 4 of cover

Ecstasy in the Cacophony 2006 knowledge love and ecstasy in the theology of thomas gallus provides the first full study of thomas gallus d 1246 in english and represents a significant advance in his distinctive theology boyd

taylor coolman argues that gallus distinguishes but never separates and intimately relates two international modalities in human consciousness the intellective and the affective both of which are forms of cognition coolman shows that gallus conceives these two cognitive modalities as co existing in an interdependent manner and that this reciprocity is given a particular character by gallus anthropological appropriation of the dionysian concept of hierarchy because gallus conceives of the soul as hierarchized on the model of the angelic hierarchy the intellect affect relationship is fundamentally governed by the dynamism of a dionysian hierarchy which has two simultaneous trajectories ascending and descending two crucial features are noteworthy in this regard in ascending firstly the lower is subsumed by the higher in descending secondly the higher communicates with the lower according to the nature of the lower when gallus posits a higher affective cognitio above an intellective cognitio at the highest point in the ascent accordingly this higher affective form both builds upon and sublimates the lower intellective form at the same time this affective cognitio descends back down into the soul both enriching its properly intellective capacity and also renewing the ascending movement in love for gallus then in the hierarchized soul a dynamic mutuality between intellect and affect emerges which he construes as a spiralling motion by which the soul unceasingly stretches beyond itself ecstatically in knowing and loving god

*Knowledge, Love, and Ecstasy in the Theology of Thomas Gallus* 2017 excerpt from hieroglyphics a note upon ecstasy in literature it was a large room and gave me always a sense of empty space against one wall stood a heavy bookcase with glass doors solid and of dark mahogany but made in the intermediate period that came between chippendale and the modern school of machine turned rubbish about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Hieroglyphics** 2016-09-10 in the love drug marching to the beat of ecstasy youâ ll follow the streak of popularity the compound mdma or ecstasy has left behind all the way from its initial patent to its present day use as a recreational substance at social gatherings the all night to early morning parties known as raves simple enough for the everyday reader and yet detailed enough for educators researchers and clinicians this book gives you cutting edge data about this curious and sometimes unpredictable chemical substance youâ ll also get a handle on the many future implications the drug may have in our society of scientists legal officials average citizens and all night partiers put simply no other publication will so concisely and clearly help you synthesize the structural significance legal controversy and adverse reactions surrounding ecstasy as the love drug overall its thought provoking and informative treatment of the topic will give you a balanced impartial view of ecstasyâ s past and present day history and on the other hand it may also act as a pivotal deterrent if youâ re someone who has experimented with this sometimes quixotic mind altering substance specifically its indepth examination will help you understand the complete synthesis of 3 4 methylenedioxymethamphetamine mdma its patent chemical configuration and pharmacological action see the connection of this chemical substance to its infamous alluring moniker ecstasy get an accurate synopsis of the full oral and written legal history of the drug become familiar with the adverse reactions ascribed to ecstasy use understand the place of ecstasy in the realm of psychotherapy see how ecstasy and the rave movement perpetuate each other if youâ re one of the many who have made all night partying a science the love drug will clear away the dogma and show you the many ways this drug could change your life if youâ re a preclinical researcher educator or member of an emergency room team youâ ll find this book a priceless source of contemporary information visit the bookâ s website [angelfire.com/nj/ecstasy](http://angelfire.com/nj/ecstasy)

[The Love Drug](#) 1998 an international bestseller with over 100 000 copies in print one of the first sources of information about the drug and its correspondent dance culture

**Chaotopia!** 1997 new york times bestselling sensation gena showalter enthralls with a dark tantalizing world of humans otherworlders powers beyond imagining and a seductive vampire undone by his insatiable hunger for one woman growing up poor on new chicago s meanest streets ava sans had two options be the predator or be the prey no contest now working for alien investigation and removal she s been ordered to capture the biggest baddest warrior of all a vampire too beautiful to be real with the ability to manipulate time once the leader of the entire vampire army mckell has been deemed savage and unstable spurned even by his own kind to mckell humans should be nothing more than sustenance yet the petite golden skinned ava is a fascinating contradiction

vicious yet witty strong yet vulnerable lethal but fiercely loyal against his better judgment mckell craves that loyalty and much more when the chase leads to seduction mckell and ava will race to discover the truth about his past but the answers will come at a price even for a woman who thought she had nothing left to lose

**Ecstasy** 1996 more commonly known as e ecstasy or mdma is a psychoactive drug which in users produces increased empathy euphoria and an altered sense of time ecstasy is illegal in most of the world however studies continue to pursue ecstasy and its help in the treatment of ptsd as an uncontrolled substance however this drug is dangerous and over time can alter brain chemistry increase depression and anxiety and effect the nervous system this timely book exposes readers to personal stories from teens coping with ecstasy abuse it also provides warning signs treatment options and most importantly solutions sidebars a relevant glossary of terms current websites and science content are included in this detailed look into the teen issue of ecstasy use and abuse

*Ecstasy in Darkness* 2010-10-26 lloyd from leith has a transfiguring passion for the unhappily married heather together they explore the true nature of house music and chemical romance will their ardour fizzle and die or will it ignite and blaze like a thousand suns ecstasy follows them and others through the backstreets of edinburgh stifling suburban sitting rooms and the bright lights of london exhilarating and dazzling this is welsh at his very best

Ecstasy 2014-01-01 those interested in the concept of ecstasy would be forgiven for assuming that a sober scholastic like st thomas aquinas had little place for the idea yet in this groundbreaking study sure to refine our understanding of the angelic doctor peter kwasniewski shows that st thomas contemplates the nature of ecstasy at key stages in the development of his thought and that it plays a crucial role in his doctrine of love after a stimulating study of treatments of ecstasy in ancient philosophy sacred scripture and the medieval tradition prior to aquinas kwasniewski finds that he can be seen as breathing new life into the concept while his contemporary st bonaventure for example tended to restrict ecstasy to the soul s union with god st thomas admitted the place of ecstasy in a variety of human activities furthermore st thomas recognized that all love involves ecstatic transcendence whether it be the creature s self oblation to the creator the reverence of an inferior for a superior a superior s generosity toward an inferior or the mutual affection and help of equals joined in friendship love of persons for their own sake generates an ecstatic love in which the self is borne as a gift to another subject by sharing a common life aspiring to common goods kwasniewski also examines aquinas on the question of whether or not god experiences ecstasy and if so in what ways the ecstasy of love in the thought of thomas aquinas makes a significant contribution to our understanding of the doctrine of love and to the interpretation of the thought of st thomas aquinas it is more than an analysis of key texts it is an illuminating guide to the grammar of ecstasy

**Ecstasy** 2008-11-17 this book is not only about running as a sport and fitness tool it intends to bring about the inner joy that can be experienced if running can be made part of our life style its enduring companionship through joys and sorrows sunshine and rain and across the meandering path encountering vicissitudes of our existence on this planet the author takes us through this amazing journey almost poetically and at times philosophically read explore and enjoy this little book as the writer urges you to take the plunge in dynamic meditation of running

**The Ecstasy of Love in the Thought of Thomas Aquinas** 2021-05-07 a newlywed englishwoman must find her missing sioux husband in this historical romance by the new york times bestselling author of defiant ecstasy never before did the possession of a man fill alisha with such excitement as when she held her handsome lover in her arms that she was a white woman living in the world of the oglala now mattered they had promised each other their hearts forever nothing could keep them apart but when alisha awoke to dawn s first light her warrior was gone her lips were tender from his fiery kisses her body throbbed from his fierce passion and still she longed for him lost between two worlds she was desperate and alone betrayed by her savage lover she hungered for their forbidden love

**Running - An Ecstasy in Dynamic Meditation** 2018-06-19 follow the wind forever ecstasy whispered kisses readers everywhere look to janelle taylor for the very best in historical romance and stolen ecstasy continues her beloved savage ecstasy series with one of her greatest love stories ever that of gray eagle s son bright arrow and his beautiful white captive rebecca stolen ecstasy seven years had passed since the oglala sioux had banished bright arrow for loving the magnificent captive rebecca kenny and though his passion for her still blazed as brightly as the evening star it was torture for the son of gray eagle to be apart from his people he yearned to ride free in the wind and to sink his knife into the hunt with the other braves now bright arrow had to make his choice again between his desire for a white woman and his honor as an indian

**Forbidden Ecstasy** 2011-10-24 facts about ecstasy mdma and molly and overcoming addiction if this has taken

over your life anyone who has children works with young adults or pays attention to mainstream media has likely heard of molly molly is considered to be a party drug is illegal and its popularity has made it highly dangerous **Stolen Ecstasy** 2011-10-24 excerpt from the politics of ecstasy in addition there were the politics that plagued our ecstatic enter prises themselves no matter how we twisted and squirmed to escape it many a commune demonstration or love in wrecked on the twin shoals of property and control then too there were the political fires kindled by the friction of latter day ecstasy cults rubbing up against the stiff hide of the old iguana brained establishment it is an understatement to write that timothy leary was privy to this stormy marriage of the mundane and the rapturous simultaneously observer and participant dr leary analyzed events around him even as he helped make them happen boundlessly energetic keenly insightful he was uniquely qualified to work both sides of heisenberg street imagine him studiously taking notes even as he skated on one foot along the vibrating rim of an indole ring about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Love on the Table** 2016-04-01 this story of the rise of the gangs supplying ecstasy and other drugs across the south of england exposes the murder intimidation and thuggery that accompanies their business it reveals that supplying ecstasy became the focus for gangland britain but the death of leah betts changed everything

**Who Is Molly?** 2013-09-19 the two muslim poets featured in scott kugle s comparative study lived separate lives during the eighteenth and early nineteenth centuries in the deccan region of southern india here they meet in the realm of literary imagination illuminating the complexity of gender sexuality and religious practice in south asian islamic culture shah siraj awrangabadi 1715 1763 known as sun was a sunni who after a youthful homosexual love affair gave up sexual relationships to follow a path of personal holiness mah laqa bai chanda 1768 1820 known as moon was a shi i and courtesan dancer who transferred her seduction of men to the pursuit of mystical love both were poets in the urdu language of the ghazal or love lyric often fusing a spiritual quest with erotic imagery kugle argues that sun and moon expressed through their poetry exceptions to the general rules of heteronormativity and gender inequality common in their patriarchal societies their art provides a lens for a more subtle understanding of both the reach and the limitations of gender roles in islamic and south asian culture and underscores how the arts of poetry music and dance are integral to islamic religious life integrated throughout are kugle s translations of urdu and persian poetry previously unavailable in english

**The Search for Musical Ecstasy** 1993 essay from the year 2015 in the subject medicine neurology psychiatry addiction grade merit sheffield hallam university sheffield hallam university course msc psychology language english abstract mdma has become one of the most popular recreational drugs in the westernized world although the use of mdma has become increasingly widespread there exists a serious debate amongst the psychiatric researchers as to whether mdma ecstasy is a potentially dangerous and lethal drug to the individual using the substance there is however an opposing argument amongst a group of researchers that mdma has therapeutic benefits that can be used for self healing alleviating social anxiety and problems with social integration in a psychotherapeutic environment the media and state politicians in western countries have however been pursuing a discourse of promoting mdma as the same status as cocaine and heroin with the same psychological and physiological properties the reason is partially political with the populist stance of political parties to be seen as tough on drugs often referred to as the war on drugs coined by president nixon in 1971 there is a divide therefore on the issue of mdma as to whether this is a debate on the nature of the drug and its effects studies have been aimed at defining ecstasy from a premise of whether the effects are bad or good studies leaning towards one of the observations typically rather than allowing for equal debate the research can become political as opposed to unbiased scientific research as meyer s 2013 argues research into ecstasy has come from its most vociferous detractors and the most ardent supporters the studies of beneficial effects are nonetheless increasingly limited with little opportunity to test this proposed hypothesis for instance in the us the dea has categorized mdma as a schedule 1 drug a drug that through its classification is considered incredibly dangerous with high federal penalties for the possession and supply of the drug

**The Ritual of Ecstasy in the Poetry of John Keats** 1972 first published in 1902 hieroglyphics a note upon ecstasy in literature is an analysis of the nature of literature by welsh author arthur machan within it machan concludes that

to be true literature the work must contain or convey a sense of ecstasy this fascinating volume will appeal to both writers and readers with an interest in machan s seminal work and it would make for a worthy addition to collections of allied literature arthur machen 1863 1947 was a welsh author and renowned mystic during the 1890s and early 20th century who garnered literary acclaim for his contributions to the supernatural horror and fantasy fiction genres his seminal novella the great god pan 1890 has become a classic of horror fiction with stephen king describing it as one of the best horror stories ever written in the english language other notable fans of his gruesome tales include william butler yeats and arthur conan doyle and his work has been compared to that of robert louis stevenson bram stoker and oscar wilde many vintage books such as this are increasingly scarce and expensive it is with this in mind that we are republishing this volume now in an affordable modern high quality edition complete with a specially commissioned new biography of the author

**The Politics of Ecstasy (Classic Reprint)** 2017-01-07 savage ecstasty whispered kisses follow the wind these are just a few of the books that have made janelle taylor such a beloved and bestselling author of historical romance and her sweeping tales of gray eagle s love for the beautiful alisha and the passion filled adventures of their descendants are among her most unforgettable novels now at last the legend continues forever ecstasy morning star knew it was her duty as an oglala princess to join with a warrior of her tribe after all she was the granddaughter of the revered gray eagle and her father was the great chief sun cloud but the moment she gazed into the sky blue eyes if joseph lawrence she realized he was fated to be in her life circle for he was the man of legend the white man who would lead her tribe to peace he was also the lover who would stir her soul with forbidden desires together they would know a great destiny and an everlasting love

*So this is Ecstasy?* 1996-10 tracing the phenomenon of ecstasy in art and cultural history this book illuminates the various spiritual political psychological social sexual and aesthetic implications of euphoric and intoxicated states between asceticism and excess artworks from antiquity to the present time show the various facets of mind altering states while taking different cultural regions into consideration

*When Sun Meets Moon* 2016-05-02 presents a pragmatic skeptical hard nosed analysis of both mystical experience and mystical revival

**MDMA Case Study. A Case for Decriminalization or Prohibition?** 2015-09-16 you cannot read lifesigns and not be moved this book will undoubtedly find its place among the classics of twentieth century literature grand rapids press the inspirational writings of henri nouwen have touched millions of readers all over the world much beloved as a lecturer spiritual guide and especially as an author he communicated a profound message of hope that finds great resonance in today s world in his now classic work lifesigns he explores what he saw as three of the most vital aspects of his ministry the first of these is the gospel invitation to intimacy which nouwen describes as communion with god and relationship with others the second is the call to fecundity exhorting us to be open to a fruitful life of change and growth and the third the experience of ecstasy extends the gospel promise that your joy may be full inspired by l arche the worldwide network of communities where handicapped people and their assistants try to live together in the spirit of the scriptures nouwen shows how these three elements offer the essential key to a life free from the domination of fear and filled instead with hope and love

*Hieroglyphics: A Note upon Ecstasy in Literature* 2018-11-22 a book that should start a long overdue national conversation dave barry with the f d a agreeing to new trials to test mdma better known as ecstasy as a treatment for ptsd which if approved could be available as a drug by 2021 acid test is leading the charge in an evolving conversation about psychedelic drugs despite their current illegality many americans are already familiar with their effects yet while lsd and mdma have proven extraordinarily effective in treating anxiety disorders such as ptsd they still remain off limits to the millions who might benefit from them through the stories of three very different men award winning journalist tom shroder covers the drugs roller coaster history from their initial reception in the 1950s to the negative stereotypes that persist today at a moment when popular opinion is rethinking the potential benefits of some illegal drugs and with new research coming out every day acid test is a fascinating and informative must read
