~~global economy many of the coming of age rituals that have~~
defined the american experience since the founding learning
the value of working with your hands leaving home to start a
family becoming economically self reliant are being delayed
or skipped altogether the statistics are daunting 30 of
college students drop out after the first year and only 4 in
10 graduate one in three 18 to 34 year olds live with their
parents from these disparate phenomena nebraska senator ben
sasse who as president of a midwestern college observed the
trials of this generation up close sees an existential threat
to the american way of life in the vanishing american adult
sasse diagnoses the causes of a generation that can t grow up
and offers a path for raising children to become active and
engaged citizens he identifies core formative experiences
that all young people should pursue hard work to appreciate
the benefits of labor travel to understand deprivation and
want the power of reading the importance of nurturing your
body and explains how parents can encourage them our
democracy depends on responsible contributing adults to
function properly without them america falls prey to populist
demagogues a call to arms the vanishing american adult will
ignite a much needed debate about the link between the way we
re raising our children and the future of our country
