The Plains Sioux and U.S. Colonialism from Lewis and Clark to Wounded Knee 2004-07-05

this volume first published in 2004 presents an overview of the history of the plains sioux as they became increasingly subject to the power of the united states in the 1800s many aspects of this story the oregon trail military clashes the deaths of crazy horse and sitting bull and the ghost dance are well known besides providing fresh insights into familiar events the book offers an in depth look at many lesser known facets of sioux history and culture drawing on theories of colonialism the book shows how the sioux creatively responded to the challenges of us expansion and domination while at the same time revealing how us power increasingly limited the autonomy of sioux communities as the century came to a close the concluding chapters of the book offer a compelling reinterpretation of the events that led to the wounded knee massacre of december 29 1890

Dress Clothing of the Plains Indians 1990-08-01

one man would become a legend the young boy abandoned without a tribe on the harsh mongolian plains faced almost certain death hunted and alone he dreamed first of revenge against his enemies in time he would unite the great tribes forming one nation under the sky he would be the father to the nation he would be genghis khan

The Plains of Passage 2010-12-01

jean m auel s enthralling earth s children series has become a literary phenomenon beloved by readers around the world in a brilliant novel as vividly authentic and entertaining as those that came before jean m auel returns us to the earliest days of humankind and to the captivating adventures of the courageous woman called ayla with her companion jondalar ayla sets out on her most dangerous and daring journey away from the welcoming hearths of the mammoth hunters and into the unknown their odyssey spans a beautiful but sparsely populated and treacherous continent the windswept grasslands of ice age europe casting the pair among strangers some will be intrigued by ayla and jondalar with their many innovative skills including the

taming of wild horses and a wolf others will avoid them threatened by what they cannot understand and some will threaten them but ayla with no memory of her own people and jondalar with a hunger to return to his are impelled by their own deep drives to continue their trek across the spectacular heart of an unmapped world to find that place they can both call home from the trade paperback edition

Paris of the Plains 2010

stories about kansas city from the 1910s to the 1950s

Clearing the Plains 2013

in arresting but harrowing prose james daschuk examines the roles that old world diseases climate and most disturbingly canadian politics the politics of ethnocide played in the deaths and subjugation of thousands of aboriginal people in the realization of sir john a macdonald s national dream it was a dream that came at great expense the present disparity in health and economic well being between first nations and non native populations and the lingering racism and misunderstanding that permeates the national consciousness to this day clearing the plains is a tour de force that dismantles and destroys the view that canada has a special claim to humanity in its treatment of indigenous peoples daschuk shows how infectious disease and state supported starvation combined to create a creeping relentless catastrophe that persists to the present day the prose is gripping the analysis is incisive and the narrative is so chilling that it leaves its reader stunned and disturbed for days after reading it i was unable to shake a profound sense of sorrow this is fearless evidence driven history at its finest elizabeth a fenn author of pox americana required reading for all canadians candace savage author of a geography of blood clearly written deeply researched and properly contextualized history essential reading for everyone interested in the history of indigenous north america j r mcneill author of mosquito empires

Native Americans of the Plains 2000

the native american tribes of the great plains had rich and varied lifestyles until the coming of europeans despite the many destructive forces focused upon them after that time plains indian people have not only survived but are moving into the new century with renewed hope determination and pride

Zen of the Plains 2014-05-15

although spare sweeping landscapes may appear empty plains and prairies afford a rich unique aesthetic experience one of quiet sunrises and dramatic storms hidden treasures and abundant wildlife infinite horizons and omnipresent wind all worthy of contemplation and celebration in this series of narratives photographs and hand drawn maps tyra olstad blends scholarly research with first hand observation to explore topics such as wildness and wilderness travel and tourism preservation and conservation

expectations and acceptance and even dreams and reality in the context of parks prairies and wild open places in so doing she invites readers to reconsider the meaning of emptiness and ask larger deeper questions such as how do people experience the world how do we shape places and how do places shape us above all what does it mean to experience that exhilarating effect known as zen of the plains

Indians of the Plains 1982-01-01

first published in 1954 robert h lowie s indians of the plains surveys in a lucid and concise fashion the history and culture of the indian tribes between the mississippi and the rocky mountains the author visited various tribes from 1906 to 1931 observing them carefully participating in their lifeways studying their languages and listening to their legends and tales after a half century of study lowie wrote this book praised by anthropologists as the synthesis of a lifetime s work a preface by raymond j demallie situates the book in the history of american anthropology and describes information and changes in interpretation that have emerged since indians of the plains first appeared

Judith of the Plains 1904

excerpt from the people of the plains there are at the present time several old indians who believe that their forefathers many years ago came to this from some other continent that they crossed a large body of water landing at several different islands on their voyage that they travelled towards the rising sun and were stopped in their journey by unfriendly tribes these hostile indians forced them to settle upon the prairies where they have dwelt for hundreds of years a different language was spoken by their forefathers and the country they came from was warmer than this part of the world they insist that the great spirit had guided them to this land and had given it to them with all its vast expanses teeming with game from which they derived their sustenance about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
