Focus On: 100 Most Popular 20Th-century Indian Actresses 2012 based on unprecedented empirical research this book assesses how

institutional legacy and external intervention have shaped the structural conditions of corruption in the afghan police force and state filling a major gap in the literature this is an invaluable contribution to the literature and to anti corruption policy in developing states

Focus On: 100 Most Popular Actresses in Hindi Cinema 2020-08 at the end of each census round fao reviews and assesses national census practices methodologies and results and summarizes the findings in methodological publications under the statistical development series sds for the wca 2010 round 2006 2015 these assessments have been presented in two separate publications the first one titled main results and metadata by country sds 17 published in 2019 presented a compendium of census metadata and main results for a record number of 127 countries and territories the sds 18 i e this publication presents in its first part chapters 1 to 12 a methodological review of the national censuses in its second part chapter 13 it illustrates global comparable data on key variables characterizing the structure of agriculture the global review of census results includes key structural variables that are not available elsewhere some examples are number and area of holdings land tenure and holder gender other variables are land size classes average holding sizes legal status of holders household sizes source of farm labour land use and operated land

Work of Committees 2021-03-30 india s national security annual review 2013 comprehensively analyses india s engagement with major world powers and immediate neighbours in a complex global security environment it examines india s response to internal and external threats its foreign policy as well as measures taken for strengthening its economic security

Investigating Corruption in the Afghan Police Force 2015-08-12 the middle east region holds the world s largest oil and natural gas proven reserves several middle eastern states are major oil producers and consumers given price fluctuations and environmental concerns many countries have sought to diversify their energy mix the middle east is no exception gawdat bahgat analyzes the geopolitical economic and strategic forces behind this diversification in the middle east he highlights the main advantages and disadvantages of each source of energy

Global review of agricultural census methodologies and results (2006 – 2015) 2013-08-20 this book analyses the voluminous and meandering case law on gambling of the court of justice from an empirical perspective it offers a comprehensive overview of the legal situation of gambling services in the eu single market additionally the book presents the current state of research on gambling addiction it then seeks to answer the central research question as to what extent the views of the court of justice on gambling find support in empirical evidence the

court of justice granted exceptionally wide discretion to the member states due to a so called peculiar nature of games of chance with the margin of appreciation having played a key role the book inquires whether the court of justice followed the principles and criteria that normally steer the use of this doctrine noting the court s special approach the book elaborates on its causes and consequences throughout the book the approach of the court of justice is contrasted with that of its sister court the efta court finally the potential role of the precautionary principle and of eu fundamental rights in the area of gambling law is examined situated at the intersection of law and science this book seeks to bridge the legal and scientific perspectives and the unique vocabularies common to each it illustrates the direct relevance of science and empirical research for court cases and policy making and it contrasts science informed policy making with the on going morality discourse on gambling

India's National Security 2014-02-19 revolting subjects is a groundbreaking account of social abjection in contemporary britain exploring how particular groups of people are figured as revolting and how they in turn revolt against their abject subjectification the book utilizes a number of high profile and in depth case studies including chavs asylum seekers gypsies and travellers and the 2011 london riots to examine the ways in which individuals negotiate restrictive neoliberal ideologies of selfhood in doing so tyler argues for a deeper psychosocial understanding of the role of representational forms in producing marginality social exclusion and injustice whilst also detailing how stigmatization and scapegoating are resisted through a variety of aesthetic and political strategies imaginative and original revolting subjects introduces a range of new insights into neoliberal societies and will be essential reading for those concerned about widening inequalities growing social unrest and social justice in the wider global context

Alternative Energy in the Middle East 2013-04-11 disability evaluations are the most common clinical mental health evaluations conducted for nontreatment purposes they place mental health professionals in the role of communicating information that is typically confidential to administrative and legal systems unfortunately mental health professionals receive little to no training in conducting assessments that focus on disability and disability management and often do not understand the implications and risks of providing this information especially without conducting what are often specialized evaluations clinical guide to mental health disability evaluations is geared for general mental health practitioners providing them with the basic information needed to competently provide the various types of disability evaluations it also provides enough information to inform forensic mental health providers in conducting more specialized evaluations

Empirical Views on European Gambling Law and Addiction 2013-01-11 this book traces how the american freak show has re emerged in new visual forms in the 21st century it explores the ways in which moving image media transmits and contextualizes reinterprets and appropriates the freak show model into a new american freak show it investigates how new freak representations introduce narratives about sex gender and cultural perceptions of people with disabilities the chapters examine such representations found in horror films including a prolonged look at freaks 1932 and the texas chainsaw massacre 1974 documentaries such as murderball 2005 and tlc s push girls 2012 2013 disability pornography including the pornographic documentary sick the life and death of bob flanagan supermasochist 1997 and the music icons marilyn manson and lady gaga in their portrayals of disability and freakishness through this book we learn that the visual culture that has emerged takes the place of the traditional freak show but opens new channels of interpretation and identification through its use of mediated images as well as the altered freak norm relationship that it has fostered in its illumination of the relationship between normal and freakish bodies through different media this book will appeal to students and academics interested in disability studies gender studies film theory critical race theory and cultural studies

Revolting Subjects 2017-10-04 grounded in nine years of ethnographic research on the al muhajiroun ahlu sunnah wal jamaah movement alm aswj douglas weeks mixes ethnography and traditional research methods to tell the complete story of al muhajiroun beginning with three core events that became a primer for radical islamic political thought in the uk al muhajiroun a case study in islamic activism traces the development of the movement from its incipient beginnings to its current status based on his extensive interaction with the group and its leaders weeks contextualizes the history beliefs methods and differences between alm aswj al qaeda and the islamic state so that the group and the threat it poses is comprehensively understood

Clinical Guide to Mental Disability Evaluations 2020-03-27 pan regional constructions in the indian ocean are of relatively recent origin are contested and remain relatively weak at present sub regional constructions on the other hand have tended to be more focussed especially in terms of security and have generally been more successful the principal purpose of this volume is to critically evaluate the debates surrounding these issues and to elucidate some of the main strengths and weaknesses of regionalism at both scales the discussion begins at the pan regional scale with an evaluation of pan regional contestation followed up by a chapter on the main pan regional grouping indian

ocean region association for regional cooperation ior arc which was renamed indian ocean rim association iora in 2013 thereafter key examples of sub regional groupings south asia asean sadc and gcc are critically discussed in turn the principal readership for this volume will be scholars of geography politics and international relations students of indian ocean studies regionalism experts bureaucrats and politicians both within and outside the indian ocean region who wish to gain insights into indian ocean matters scholars who appreciate a view of regional relations from the inside this book was published as a special issue of the journal of the indian ocean region

Media, Performative Identity, and the New American Freak Show 2016-04-14 fans constitute a very special kind of audience they have been marginalized ridiculed and stigmatized yet at the same time they seem to represent the vanguard of new relationships with and within the media participatory culture has become the new normative standard concepts derived from early fan studies such as transmedial storytelling and co creation are now the standard fare of journalism and marketing text books alike indeed usage of the word fan has become ubiquitous the ashgate research companion to fan cultures problematizes this exaltation of fans and offers a comprehensive examination of the current state of the field bringing together the latest international research it explores the conceptualization of the fan and the significance of relationships between fans and producers with particular attention to the intersection between online spaces and offline places the twenty two chapters of this volume elucidate the key themes of the fan studies vernacular as the contributing authors draw from recent empirical work around the globe the book provides fresh insights and innovative angles on the latest developments within fan cultures both online and offline because the volume is specifically set up as companion for researchers the chapters include recommendations for the further study of fan cultures as such it represents an essential reference volume for researchers and scholars in the fields of cultural and media studies communication cultural geography and the sociology of culture

AI Muhajiroun 2012 this book discusses options for an improved compliance system under the paris climate agreement by addressing current weaknesses the research is based on two cases the compliance mechanisms of the montreal and kyoto protocols and their outcomes in practice this book analysed the different meanings of tthe compliance concept of compliance mechanisms cms and multilateral environmental agreements meas in chapter 3 on the theories and two basic explanatory models on compliance chapter 4 on the development of cms and the limitations of traditional means chapter 5 and the questions on the cms under the kyoto and the montreal protocols chapter 6 based on its

findings options for an improved compliance system under the paris climate agreement are asked chapter 7 this book offers a detailed understanding of compliance and existing compliance mechanisms cms elaborates the cms present features on the basis of its case studies includes the latest information on cms and its case studies discusses options for an improved compliance system under the paris climate agreement figuring out the current weaknesses

Indian Ocean Regionalism 2016-04-22 all of our working lives we have heard the mantra a reputation lost is never regained still the firms we work for admire and invest in seem to take costly reputation hits all too often everyone interested in managing regulating or investing in public firms will find nir kossovsky s book a wonderful read through reputations won lost and regained over the last 20 years this is the first book which goes beyond platitudes to explain how to spot value destroying reputation risk and how to manage it or live with its consequences couldn t be more timely tom skwarek managing director structuring and solutions group unicredit bank ag previously managing director corporate strategic solutions swiss re there are fiduciary reasons why corporate directors would benefit from reading this book there is also a personal benefit the collapse of a company s reputation can stain the personal reputation of its directors george miles member of the board of directors aig eqt harley davidson hff and wesco nir kossovsky has written a gripping tale first educating the reader by distinguishing between corporate branding and reputation then alarming us with case histories of mismanagement of corporate reputational crises and finally reassuring all with a unique solution i e insuring against the risk of reputational loss john h bennett partner global brand positioning previously chief marketing officer visa inc while directors know reputation is important it often is treated as a vague good until something bad happens nir kossovsky does a great job with many examples of connecting reputation to stock price and to behaviors before and after crises if you are a director a senior manager or a regulator you should read this book and remember the lessons it offers there is no office which will restore reputation but careful planning and quick response as nir points out can make a big difference herbert s winokur jr former chairman on enron s board finance committee and a director of many for profits and non profits a company that takes a hit to its reputation bp after the gulf oil spill barclays after fiddling libor news corp after the phone hacking scandal enters a world of grief market value falls along with employee morale regulatory scrutiny increases and customers defect and boycott reputation stock price and you why the market rewards some companies and punishes others shows how a company s reputation is created and how reputational value impacts corporate p l and the personal finances of

its many stakeholders better yet it shows what you can do to profit from increase protect monitor evaluate restore and even insure reputational value if your job bonus options salary or investments depend on the stock price of a public company or on the sales profitability or value of a private company you need to read this book to understand the concrete steps you can take to improve your firm s reputation reduce risks to its finances and industry standing and reap the highest reputational dividends using dozens of case studies reputation stock price and you explains how stakeholders and their expectations both shape and are shaped by a company s reputation describes how reputations for ethics innovation good governance quality safety sustainability and security are created and lost explains why both corporate and individual stakeholder behavior affect reputational value shows how you can influence the expectations and behaviors of stakeholders which in turn can improve corporate finances reduce operational risk and increase stock price or market value provides sensitive tools for tracking and predicting stock price as a function of reputational value metrics the majority of directors at u s public companies now count reputation as their firm s 1 concern and with good reason a firm with a superior reputation gains many benefits customers are more willing to pay higher prices vendors and employees offer better terms for their services creditors and equity investors offer better terms for capital and regulators tend to be more forgiving this book shows how to achieve and sustain a stellar reputation and how to convert it into its tangible form reputational value

2012 IEEE 2019-04-23 this volume investigates urbanity as a cultural form the essays illustrate the real and imaginary ways that we interact with the cities through the portal of the arts

The Ashgate Research Companion to Fan Cultures 2013-01-28 what does successful adaptation look like this is a question we are frequently asked by planners policy makers and other professionals charged with the task of developing and implementing adaptation strategies while adaptation is increasingly recognized as an important climate risk management strategy and on the ground adaptation planning activity is becoming more common place there is no clear guidance as to what success would look like what to aim for and how to judge progress this edited volume makes significant progress toward unpacking the question of successful adaptation offering both scientifically informed and practice relevant answers from various sectors and regions of the world it brings together 18 chapters from leading experts within the field to present careful analyses of different cases and situations questioning throughout commonly avowed truisms and unspoken assumptions that have pervaded climate adaptation science and practice to date this book offers not one answer but demonstrates how the question of success

in important ways is normative and context specific it identifies the various dimensions of success such as economic political institutional ecological and social explores the tensions between them and compiles encouraging evidence that resolutions can be found the book appraises how climatic and non climatic stressors play a role what role science does and can play in adaptation decision making and how trade offs and other concerns and priorities shape adaptation planning and implementation on the ground this is timely interdisciplinary text sheds light on key issues that arise in on the ground adaptation to climate change it bridges the gap between science and practical application of successful adaptation strategies and will be of interest to both students academics and practitioners

Paris Climate Agreement: A Deal for Better Compliance? 2019-01-04 excerpt from u s marines in afghanistan 2010 2014 anthology and annotated bibliography this volume second part of a series focusing on marine corps actions in afghanistan presents a collection of 21 articles interviews and speeches describing many aspects of the u s marine corps participation in operation enduring freedom from 2010 to 2014 this work is intended to serve as a general overview and provisional reference to inform both marines and the general public until the u s marine corps history division completes monographs covering major marine corps operations during the campaign the accompanying annotated bibliography provides a detailed look at selected sources that currently exist and should be sufficient until new scholarship and archival materials become available this anthology is organized into six parts one section for each year and a final section devoted to a broader overview of marine participation in the afghanistan conflict this work is not meant to be an authoritative history but rather a selected record of marine contributions to the afghan war effort as captured by the media and other sources related items united states marine corps usmc history publications can be found here bookstore gpo gov catalog united states marine corps usmc history afghanistan war publications can be found here bookstore gpo gov catalog afghanistan war global war on terror publications can be found here bookstore gpo gov catalog global war terror

Reputation, Stock Price, and You 2017 what is the public sphere how is it best described and what role does it play in modern life these

questions have attracted considerable attention within library and information science circles over several decades especially regarding public libraries circulation of power contributes to this discussion by proposing a new research framework and new methods for analyzing public sphere communication using extensive data gathered from an urban public library infrastructure this historical case study demonstrates how public sphere communication shaped the infrastructure s development over time producing both changes and continuities across the case s nine periods two new conceptual tools circuits and decisions cycles form the study s research framework and a new explanatory theory rlc or releaser theory accounts for why the infrastructure developed as it did consideration of competing theories reveals that public sphere communication remains the best explanation for infrastructural development this book s meticulous historical narrative of the greater pittsburgh case supplemented by its groundbreaking theory and innovative mixed methods design is of interest to practitioners academics and general readers alike

Focus On: 100 Most Popular Expatriate Footballers in Spain 2023-05-22 anitta m hipper examines to what extent and under what conditions the eu s transformative power met with resistance in romania the book touches upon a raw nerve for most post communist societies justice and anti corruption reform through the use of a context sensitive approach it assesses how domestic factors influenced the implementation of eu conditionality towards romania from 1990 to 2012 empirical investigations reveal a struggle between various interested parties in complying with eu conditionality as a result a complex layer of non compliance emerged and it became a herculean task to ensure the sustainability of reform by reformist forces within romania and the eu

Focus On: 100 Most Popular Real Madrid C.F. Players 2015-04-20 no sales rights in switzerland this second edition of the first comprehensive commentary on the swiss rules of international arbitration covers the new version of these rules which entered into force on 1 june 2012 it is a practical guide for arbitrators counsel state courts and persons involved in the conduct and administration of arbitral proceedings under the swiss rules this commentary presents the new version of the swiss rules from a double perspective on the one hand it emphasizes the relationship between these rules and the swiss legal regime governing international arbitration namely the provisions of chapter 12 of the swiss private international law statute on the other hand it puts these rules in an international perspective by comparing them with the corresponding provisions of the other major institutional rules icc lcia scc dis viac siac hkiac cietac aaa icdr wipo and icsid and with the

provisions of the former edition of the rules finally it highlights the main differences between the swiss rules and the uncitral arbitration rules which were revised in 2010 this book is written by arbitration practitioners based in switzerland who work with established law firms widely experienced in international commercial arbitration it is the work of a refreshing new generation of swiss arbitration specialists two of the editors were members of the working group for the revision of the swiss rules and thus bring special insight into the book about the revision process

Focus On: 100 Most Popular UEFA Euro 2016 Players 2013-08-01 this book considers the origins performance and diffusion of national immigration policies targeting highly skilled immigrants unlike asylum seekers and immigrants admitted under family reunification streams highly skilled immigrants are typically cast as wanted and welcome as a consequence of their potential economic contribution to the receiving society and putative assimilability testing the degree to which this assumption holds is the principle aim of this book in contrast to publications which see highly skilled immigration as functional response to labor market needs the book probes the political and sociological dimensions of policy drawing on contributions from an international group of established and new scholars from the fields of history law political science sociology and public policy the book is organized into four parts part i probes the origins of post wwii immigration policies in canada australia and the united states part ii analyzes recent debates on highly skilled immigration policy in the united states whose origins go back to the 1965 act by congress which favored family reunification over skilled immigration part iii considers the degree to which highly skilled immigrants are welcome by focusing on the integration trajectories of foreign trained professionals in canada paradoxically just as canada has succeeded in orienting its admissions system more explicitly toward privileging highly educated and skilled professionals highly skilled immigrants have experienced worsening economic outcomes as reflected in rates of unemployment and falling earnings part iv considers the internationalization of highly skilled immigration policies focusing on europe s most important immigration countries germany and britain as is true in canada the labor market outcomes for highly skilled immigrants in europe are disappointing and the final chapter discusses why this is the case and what might be done to improve matters given its combination of cross disciplinary insights cross national comparisons and empirical richness the book will be of interest to both scholars and policymakers concerned with immigration policy
