## **Sketches of Irish Character 2015-09-30**

born in dublin into the anglo irish gentry anna maria hall moved to london when she was fifteen where she became famous for her books plays and travel writing it was her book sketches of irish character 1829 which made her a household name this modern critical edition is based on hall s third revised edition of 1844

## **The Rogue Narrative and Irish Fiction, 1660-1790 2021-09-20**

with characteristic lawlessness and connection to the common man the figure of the rogue commanded the world of irish fiction from 1660 to 1790 during this period of development for the irish novel this archetypal figure appears over and over again early irish fiction combined the picaresque genre focusing on a cunning witty trickster or pícaro with the escapades of real and notorious criminals on the one hand such rogue tales exemplified the english stereotypes of an unruly ireland but on the other they also personified irish patriotism existing between the dual publishing spheres of london and dublin the rogue narrative explored the complexities of anglo irish relations in this volume lines investigates why writers during the long eighteenth century so often turned to the rogue narrative to discuss ireland alongside recognized works of irish fiction such as those by william chaigneau richard head and charles johnston lines presents lesser known and even anonymous popular texts with consideration for themes of conflict migration religion and gender lines offers up a compelling connection between the rogues themselves marked by persistence and adaptability and the ever popular rogue narrative in this early period of irish writing

## **The Irish Highwaymen 2000**

reprint of the original first published in 1867

histories of masculinity have generally examined both social ideologies of masculinity and subjective male identities within frameworks that define them against the feminine yet historians and sociologists have increasingly argued that men have been and continue to be defined both socially and subjectively as much by their relations to other men as in relation to women this collection brings together the work of scholars of masculinities working in a variety of fields including literature history and art history to examine some of the forms of otherness against which ideas of masculinity have been defined throughout history the collection reflects the current breadth of scholarship relating to the study of masculine alterity while the subjects addressed are largely historical the time span covered is broad and the disciplinary approaches to the subject matter are equally wide ranging a huge variety of men masculine behaviours and definitions of masculinity are considered in an exciting and invigorating collection that showcases both established academics and emerging scholars in the field

## **Nevada Studies in History and Political Science 1964**

discusses the myths and realities behind the portrayals of gentleman robbers prevalent in england during the seventeenth and eighteenth centuries

**On the necessity of employing one universal system of Marine Night Signals for preventing Collision at Sea and shewing distress at night. With a description of Rettie's new code of Signals, and of the new tidal-harbour light: with a list of upwards of a hundred original inventions, patents and publications in MSS.**

## **1847**

a shock is in store for well bred young toronto lady kathryn when she travels to alberta to live with her aunt after the death of her father kathryn must go to live with her aunt belle in alberta in 1901 arriving at buffalo hills kathryn is horrified to learn her new home is a group of shacks called river falls a métis community never having known her true heritage kathryn is further shocked to discover it s not even a permanent home barred from owning land the métis must find a way to live in the road allowances or ditches the strips of government land between the public highway and the private properties of recognized citizens excitement comes in the form of a mysterious stranger known as the highwayman a shadowy robin hood figure who rights wrongs against the métis people in his own way when he is framed for a crime he did not commit and aunt belle becomes involved kathryn must use all her resources to prove their innocence and challenge the deep seated beliefs of an entire community

## **A Present to Youths & Young Men 1891**

originally published in 1883 under the title greater london and first reprinted 100 years later this work by a victorian historian and antiquarian records the history of the hamlets villages and market towns that made up the metropolitan area before the urban sprawl took over

## **A Present to Youths and Young Men 1891**

this prestwick house literary touchstone edition includes a glossary and reader s notes to help the modern reader contend with wilde s many allusions and his complex approach to the human condition oscar wilde s only novel the picture of dorian gray first appeared in 1891 dorian gray a handsome young man falls in with a group of friends whose amoral philosophies he finds quite appealing after

## **freney the robber the noblest highwayman in ireland**

he has his portrait painted his frivolity and general demeanor degenerate into wickedness but only the portrait bears the effects of his descent into decadence and serves as a powerful symbol of gray s internal ruin dorian himself however remains as young and unspoiled as the day he first sat for the painting wilde s exploration of life without limits or consequences shocked its late victorian audience and remains highly un settling to modern readers we like dorian are forced to reconsider whether total freedom and absolute knowledge are really worth their costs

## **The Collected Works of Theodore Parker: Lessons from the world of matter and the world of man 1872**
