immigration practice guides readers through all aspects of immigration law in one volume complete with over 3 000 footnote citations to the wide range of statutes regulations court and administrative cases policy memos operations instructions agency interpretive letters and internet sites that a lawyer needs for complete understanding of a particular problem no other source merges the practical with commentary and analysis so helpfully the book explains in understandable language and meaningful and dependable detail the substantive issues and the practical procedures a lawyer needs to handle a specific immigration matter complete with checklists of forms supporting evidence and other strategies needed for application petition packages the book has unparalleled coherence integration and consistency liberally cross references to other sections in the book where related topics are discussed because so many topics are interrelated line by line instructions on how to complete the most commonly used forms to avoid embarrassing mistakes lists the contents of packages to file with government agencies forms and fees detailed support letters and other supporting evidence explanations of potentially applicable visa options organized according to the attributes of the foreign national and the employer rather than classifications in alphabetical order so that practitioners can make sense of options in light of the client in the office comparisons and charts of attributes and procedures of such topics as nonimmigrant visa classifications procedures to permanent residence and standards of extreme hardship citations throughout the book and collection in the extensive cd rom appendix to primary source materials and the most useful internet site urls with explanation of the increasingly helpful free databases and tools available through each one internet links constantly increased and updated links to government web sites containing current contact information forms primary law sources of all types case status information and processing and substantive guides all referenced by pinpoint citations in the text see chapter 5 explaining sources of law appendix c and d 1 showing web links and the cd rom in the back cover providing one click access readers are strongly encouraged to review and use the cd rom and to consider saving appendix c d 1 and e 1 into their hard drives or saving the links to their internet browser favorites or bookmarks for ready reference all the time upgraded removal related treatment significant improvements to chapters 10 11 and 16
