issues at work for over two decades spencer johnson has been inspiring and entertaining millions with his simple yet insightful stories of work and life that speak directly to the heart and soul the present is an engaging story of a young man s journey to adulthood and his search for the present a mysterious and elusive gift he first hears about from a great old man later when the young boy becomes a young man disillusioned with his work and his life he returns to ask the old man once again to help him find the present the old man responds only you have the power to find the present for yourself so the young man embarks on a tireless search for the secret to his personal happiness and business acumen it is only after the young man has searched high and low and given up his relentless pursuit that he relaxes and discovers the present and all the promises it offers the present will help you focus on what will make you happy and successful in your work and in your personal life like the young man you may find that it is the best gift you can ever give yourself

The Present 2010-06-10

a provocative new look at concepts of the present their connection to ideas about time and their effect on literature art and culture the problem of the present what it is and what it means is one that has vexed generations of thinkers and artists because modernity places so much value on the present many critics argue that people today spend far too much time in the here and now but how can we tell without first knowing what the here and now actually is what is the present takes a provocative new look at this moment in time that remains a mystery even though it is always with us michael north tackles puzzles that have

preoccupied philosophy neuroscience psychology history and aesthetic theory and examines the complex role of the present in painting fiction and film he engages with a range of thinkers from aristotle and augustine to william james and henri bergson he draws illuminating examples from artists such as fra angelico and richard mcguire filmmakers like d w griffith and christopher nolan and novelists such as elizabeth bowen and willa cather north offers a critical analysis of previous models of the present from the experiential present to the historical period we call the contemporary he argues that the present is not a cosmological or experiential fact but a metaphor a figurative relationship with the whole of time presenting an entirely new conception of the temporal mystery georg lukács called the unexplained instant what is the present explores how the arts have traditionally represented the present and also how artists have offered radical alternatives to that tradition

What Is the Present? 2018-06-05

a practical guide to living life in the present moment this moment is it it is everything it is all there is and the solution to any difficulty in your life is to be found here and here alone based on more than 25 years of experience bestselling author and facilitator ernest holm svendsen takes you on the most important journey of your life the journey from the prison of your mind to the vitality and aliveness of the present moment in his down to earth style and using practical exercises and experiments ernest shows you exactly how to change your life by shutting down your autopilot and waking up to the spontaneous joy of being in the present moment through clear explanations and step by step guidance how to live

in the now offers a practical path to living life in the present moment which is available to anyone no matter their life circumstances learn how to be in the present moment learn how to let go of anxiety and worried thoughts learn how to create deep connections with others learn how to stop seeking approval and be yourself i loved this book and how it taught me to live life in the present from the precise and easy to understand explanations to the simplicity of the practices it has made such a difference for me it was as if i could weave your instructions as a thread through my very busy life as a working parent i have spent so much time not living in the present and i can't begin to express what getting better at living now has brought to my marriage the relationship to my children and my work life i've read so many books on how to live in the present being present in the moment is the most important topic in life but it is so often misunderstood your book really clears it up and the training program is just perfect thank you for this little gem making everyone better at living in the now

How to Live in the Now 2020-01-19

filled with powerful but easily accessible concepts and exercises present moment awareness shows readers how they can drop their emotional baggage calm their worries about the future and start enjoying the peace and joyfulness that can only be found in the now author shannon duncan reveals how opening to the present moment can allow us to discover the limiting perceptions emotional turmoil and habitual reactions that so often dictate our experience of life he shows how we can discover the true causes of our stress and discontent transform our emotions from rulers into advisers and start appreciating the gift of life

a positive thoughts book with encouragement to live in the present moment and enjoy it spice it and live it to the fullest the book highlight the fact that the present moment is powerful but

mostly we lose that due to fear for the future memories worry and desire to survive i think this is a great thought to bring positivity in our lives what is present is what you live and the book presents the various steps to reside and use the full power of the present moment with this book you ll learn how to savor everyday things with new eyes and a fresh perspective you ll begin to experience the many rewards that come once you understand and start applying these simple ideas you ll discover exactly what living in the moment is and be able to recognize the power and magic that comes from doing so you ll see that everything you need is already within you your six senses all you have to do is apply the simple steps in this book and then reap the many benefits

A Serious Address to Protestant Dissenters, in the present crisis. By a Puritan 1834

shakespeare in the present is a stunning collection of essays by terence hawkes which engage with explain and explore presentism presentism is a critical manoeuvre which uses relevant aspects of the contemporary as a crucial trigger for its investigations it deliberately begins with the material present and lets that set the interrogative agenda this book suggests ways in which its principles may be applied to aspects of shakespeare s plays hawkes concentrates on two main areas in which presentism impacts on the study of shakespeare the first is the concept of devolution in british politics the second is presentism s commitment to a reversal of conceptual hierarchies such as primary secondary and past present and the interaction between performance and reference the result is to

sophisticate and expand our notion of performing and to refocus interest on what the early modern theatre meant by the activity it termed playing

Suum Cuique: or, Church and State in the present aspect of their union, and our duties under it, considered with reference to the Madeira Chaplaincy. By Fairplay 1850

steven connor provides in depth analyses of the novel and its relationship with its own form with contemporary culture and with history he incorporates an extensive and varied range of writers in his discussions such as george orwell william golding angela carter doris lessing timothy mo hanif kureishi marina warner maggie gee written by a foremost scholar of contemporary culture and theory the english novel in history 1950 to the present offers not only a survey but also a historical and cultural context to british literature produced in the second half of this century
