## **The Ship of the Line 2015-01-14**

a beautiful book a goldmine of information to anyone interested in the capital ships of the sailing navy of the 17th and 19th centuries ships in scale the national maritime museum in greenwich houses the largest collection of scale ship models in the world many of which are official contemporary artifacts made by the craftsmen of the navy or the shipbuilders themselves and

ranging from the mid seventeenth century to the present day as such they represent a three dimensional archive of unique importance and authority treated as historical evidence they offer more detail than even the best plans and demonstrate exactly what the ships looked like in a way that even the finest marine painter could not achieve the ship of the line is the second of a new series that takes selections of the best models to tell the story of specific ship types in this case the evolution of the ship of the line the capital ship of its day and the epitome of british seapower during its heyday from 1650 1850 this period also coincided with the golden age of ship modelling each volume depicts a wide range of models all shown in full color including many close up and detail views these are captioned in depth but many are also annotated to focus attention on interesting or unusual features and the book weaves the pictures into an authoritative text producing a unique form of technical history the series is of particular interest to ship modellers but all those with an enthusiasm for the ship design and development in the sailing era will be attracted to the in depth analysis of these beautifully presented books

## **The Ship of Dreams 2020-11-03**

this original and meticulously researched retelling of history's most infamous voyage denise kiernan new york times bestselling author uses the sinking of the titanic as a prism through which to examine the end of the edwardian era and the seismic shift modernity brought to the western world while there are many titanic books this is one readers will consider a favorite voyage in april 1912 six notable people were among those privileged to experience the height of luxury first class passage on the ship of dreams the rms titanic lucy leslie countess of rothes son of the british empire tommy andrews american captain of industry john thayer and his son jack jewish american immigrant ida straus and american model and movie star dorothy gibson within a week of setting sail they were all caught up in the horrifying disaster of the titanic's sinking one of the biggest news stories of the century today we can see their stories and the titanic's voyage as the beginning of the end of the established hierarchy of the edwardian era writing in his signature elegant prose and using previously unpublished sources deck plans journal entries and surviving artifacts garth russell peers through the portholes of these first class travelers to immerse us in a time of unprecedented change in british and american history through their intertwining lives he examines social technological political and economic forces such as the nuances of the british class system the explosion of competition in the shipping trade the birth of the movie industry the irish home rule crisis and the jewish american immigrant experience while also recounting their intimate stories of bravery tragedy and selflessness lavishly illustrated with color and black and white photographs this is a beautiful requiem the wall street journal in which readers get the story of this particular floating tower of babel in riveting detail and with all the wider context they could want christian science monitor

## **The ship of adventure 1955**

the triumphant conclusion to the magnificent liveship traders series

## ***Ship of Destiny 2015-09-10***

ships have histories that are interwoven with the human fabric of the maritime world in the long nineteenth century these histories revolved around the re invention of these once familiar objects in a period in which britain became a major maritime power this multi disciplinary volume deploys different historical geographical cultural and literary perspectives to examine this transformation and to offer a series of interconnected considerations of maritime technology and culture in a period of significant and lasting change its ten authors reveal the processes involved through the eyes and hands of a range of actors including naval architects dockyard workers commercial shipowners and navy officers by locating the ship s re invention within the contexts of builders owners and users they illustrate the ways in which material elements as well as scientific artisan and seafaring ideas and practices were bound together in the construction of ships complex identities

## ***Re-inventing the Ship 2016-04-08***

from the new york times bestselling author of the giver of stars and the forthcoming someone else s shoes a post wwii story of the war brides who crossed the seas by the thousands to face their unknown futures 1946 world war ii has ended and all over the world young women are beginning to fulfill the promises made to the men they wed in wartime in sydney australia four women join 650 other war brides on an extraordinary voyage to england aboard hms victoria which still carries not just arms and aircraft but a thousand naval officers rules are strictly enforced from the aircraft carrier s captain down to the lowliest young deckhand but the men and the brides will find their lives intertwined despite the navy s ironclad sanctions and for frances mackenzie the complicated young woman whose past comes back to haunt her far from home the journey will change her life in ways she never could have predicted forever

## ***The Ship of Brides 2014-05-27***

the first book in a seafaring fantasy trilogy that george r r martin has described as even better than the farseer trilogy i didn t think that was possible now in a glorious new edition bingtown is a hub of exotic trade and home to a merchant nobility famed for its liveships rare vessels carved from wizardwood which ripens magically into sentient awareness now the fortunes of one of bingtown s oldest families rest on the newly awakened liveship vivacia for althea vestrit the ship is her rightful legacy for althea s young nephew wrenched from his religious studies and forced to serve aboard the vivacia the ship is a life sentence but the fate of the ship and the vestrits may ultimately lie in the hands of an outsider the ruthless buccaneer captain kennit who plans to seize power over the pirate isles by capturing a liveship and bending it to his will don t miss the magic of the liveship traders trilogy ship of magic mad ship ship of destiny

## **Ship of Magic 2023-12-05**

from the author of the classic farseer trilogy ship of magic is the first part of the liveship traders set in a land bordering the six duchies robin hobb begins her epic of pirates talking ships magic sea serpents slave revolts dashing heroes and bloody battles

## **Ship of Magic 2015-09-10**
