a guide to writing a full length transformational nonfiction book from an editor with two decades experience working in publishing i know i have a book in me i ve always wanted to be an author people always ask me when i m going to write my book i have a story to tell but i never seem to make time to write are you a thought leader healer or change agent stuck at the starting line of book publication life coach and publishing industry insider kelly notaras offers a clear step by step path for turning your transformational idea or story into a finished book as quickly as possible with humor encouragement and common sense she demystifies the publishing process so you can get started keep writing and successfully get your wisdom out into the world notaras guides you through getting clear on your motivation for writing a book crafting a powerful compelling hook and strong internal book structure overcoming resistance and writer s block and getting your finished manuscript onto the printed page whether through traditional publishing or self publishing publishing a book has never been as simple accessible and affordable as it is today and in our tumultuous world readers need your healing voice be brave be bold and take the steps you need to share your message with those who need to hear it most

Writing Better Computer User Documentation

1986

about the book so you want to become a professional writer it might seem to be a daunting task but luckily it s more attainable than you think many publications websites and companies from niche magazines to large corporations hire professional writers much of the writing you read on the web in fact is done by professionalrs if you have a flair for words a responsible attitude and persistence this is a great way to develop your career or earn extra money on the side if you re a skilled writer getting professional writing work is not difficult it s just a matter of knowing where to look for assignments understanding how to get them and delivering what you promise meet the author professional writer vivian wagner has wide ranging interests from technology and business to music and motorcycles she writes features regularly for ect news network and her work has also appeared in american profile entrepreneur bluegrass unlimited and many other publications she is also the author of fiddle one woman four strings and 8 000 miles of music citadel 2010 for more about her visit her website at vivianwagner net excerpt from the book professional writers just starting out are likely to make a few common mistakes here are a few you ll want to avoid expecting too much too soon it will take time to develop your professional career just as it takes time to develop any career for a while you ll just be establishing your professional identity and then you might get a little work here and there it won t be enough to pay the bills at least at first but that s to be expected stay committed and be persistent and your professional writing will eventually pay dividends lacking confidence you might be afraid to start because you don t think you re qualified you ll need to conquer that fear however and develop confidence in yourself and your abilities as professionalr anne wayman argues in 6 professional writing careers and how to overcome them on her site about professional writing the bottom line is if you want to be a successful writer you ve got to quit giving into your fears you ve got to write and submit or market and write it simply won t get done any other way
