Gangster Tour of Texas

2011-08-31

bonnie and clyde machine gun kelly the newton boys the santa claus bank robbers during the era of gangsters and organized crime texas hosted its fair share of guns and gambling moonshine and morphine ransom and robbery the state s crime wave hit such a level that in 1927 the texas bankers association offered a reward of 5 000 for a dead bank robber no reward was given for one captured alive veteran historian t lindsay baker brings his considerable sleuthing skills to the dark side leading readers on a fascinating tour of the most interesting and best preserved crime scenes in the lone star state gangster tour of texas traces a trail of crime that had its beginnings in 1918 when the texas legislature outlawed alcohol and persisted until 1957 when texas rangers closed down the infamous casinos of galveston baker presents detailed maps photographs of criminals victims and law officers and pictures of the crime scenes as they appear today steeped in solid historical research including personal visits by the author to every site described in the book this volume offers entertaining and informative insights into a particularly lawless period in our nation s history readers interested in true crime regional history or this unique aspect of heritage tourism will derive hours of enjoyment as they follow on the road or from their armchairs the trail of both cops and robbers in gangster tour of texas baker knows how to spin a yarn that keeps his readers engrossed knows that it does history no harm to write it so folks will enjoy many illustrations maps and pictures of outlaws lawmen victims witnesses

and crime scenes that accompany each story plus his picture captions are as informative as his story narratives bill neal author getting away with murder on the texas frontier

RESULTS OF METEOROLOGICAL OBSERVATIONS

1864

the international corporate 1000 represents a joint venture between monitor publishing company of washington dc and graham trotman limited of london monitor publishing company is well known as the publisher of the federal yellow book the congressional yellow book and the corporate 1000 graham trotman s annual directories providing data on the major companies in many parts of the world are equally established the two publishing companies have pooled their expertise in this joint venture to research compile and publish the international corporate 1000 a directory of who runs the world s 1000 leading corporations the directory was designed to help you identify and contact the senior executives who lead and manage these companies accordingly you will find extensive valuable detail about who does what and how to reach them but you will find little financial or statistical data we have designed the book in this way because we believe there is a great need for an accurate and current executive directory whereas a wealth of financial data is already available from many different sources the organization of the directory is by key geographical region then by major country within each region and then alphabetically by company within each country

Gentleman's and Citizen's Almanack

1837

in less than a decade frank murphy rose from mayor of depression torn detroit to governor general and high commissioner of the philippines governor of michigan attorney general of the united states and one of the most libertarian supreme court justices in american history professor howard bases his biography of this colorful irish new dealer extensively on the recently opened private papers of justice murphy the papers of franklin d roosevelt harlan f stone harold burton and felix frankfurter mr justice murphy is a fascinating look at the interplay of high office and personality originally published in 1968 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905

Astronomical Observations, Made at the Royal Observatory at Greenwich, ...

1831

this new biography of joseph r mccarthy shows how the wisconsin senator s campaign against american communists prized sensation above truth richard fried s book builds on over a decade s research in a multitude of sources many of them newly opened fried captures the high drama of mccarthy s rise and fall and the legacy of mccarthyism

Astronomical Observations

1832

as the first african american elected to the illinois general assembly john w e thomas was the recognized leader of the state s african american community for nearly twenty years and laid the groundwork for the success of future black leaders in chicago politics despite his key role in the passage of illinois first civil rights act and his commitment to improving his community against steep personal and political barriers thomas s life and career have been long forgotten by historians and the public alike this fascinating full length biography the first to address the full influence of thomas or any black politician from illinois during the reconstruction era is also a pioneering effort to explain the dynamics of african american politics and divisions within the black community in post civil war chicago in from slave to state legislator david a joens traces thomas s trajectory from a slave owned by a doctor s family in alabama to a prominent attorney believed to be the wealthiest african american man in chicago at the time of his death in 1899 providing one of the few comprehensive looks at african americans in chicago during this period joens reveals how thomas s career represents both the opportunities available to african americans in the postwar period and the limits still placed on them when thomas moved to chicago in 1869 he started a grocery store invested in real estate and founded the first private school for african americans before becoming involved in politics from slave to state legislator provides detailed coverage of thomas s three terms in the legislature during the 1870s and 1880s his multiple failures to be nominated for reelection and his loyalty to the republican party at great political cost calling attention to the political differences within a black community often considered small and homogenous even after achieving his legislative legacy the passage of the first state civil rights law thomas was plagued by patronage issues and an increasingly bitter split with the african american community frustrated with slow progress toward true equality drawing on newspapers and an array of government documents joens provides the most thorough review to date of the first civil rights legislation and the two controversial colored conventions chaired by thomas joens cements thomas s legacy as a committed and conscientious lawmaker amid political and personal struggles in revealing the complicated rivalries and competing ambitions that shaped black northern politics during the reconstruction era joens shows the long term impact of thomas s friendship with other burgeoning african american political stars and his work to get more black representatives elected the volume is enhanced by short biographies of other key chicago african american politicians of the era superior achievement from the illinois state historical society 2013
