## Where to Drink Coffee 2017-11-13

make coffee and espresso at home make sure you re not getting ripped off at your local coffee shop revised and expanded second edition for 2016 50 additional content this coffee for beginners book will take you from zombie to full on coffee geek by teaching you everything from the basics of coffee brewing to coffee roasting at home i ve always loved coffee and wanted to know more about it but i hated all the pretense and mystique that surrounded it most of all i hated walking into a coffee shop and feeling like i had to learn a new language just to order my black coffee still coffee is more than just a caffeine delivery system this book sets the record straight and separates fact from fiction description from 1st edition i too was a coffee zombie walking around calling myself a coffee lover for years i stumbled around in a daze drinking stale bitter coffee and grumbling beans beans thank goodness i finally woke up to the world of coffee by immersing myself in the coffee world via reading every book i could find visiting trade fairs every high end cafe i could find and barista competitions i realized that while there is a huge amount of information out there free on the internet and in artisan coffee shops there was no single resource that connects all the dots and spells it all out for confused novice coffee drinkers
