A Temperance Manual

1899

dear reader this is a compilation of 100 questions that new investors in mutual funds should first ask and then seek answers by freefincl com editor dr m pattabiraman unlike a conventional faq that deals with technical aspects on mutual funds like what is nav what is the purchase cut off time etc the focus here is to ask questions that will make us better investors the style of the faq is deliberately unconventional every time we focus on actions suited for our personal situation instead of worrying about best or optimal solutions we become better investors it is my hope that this book will point you in the right direction in this regard
