myths and legends were collected by linguist roland b dixon at the beginning of the 20th century in these texts coyote is the central character he is first seen in the company of earth maker giving him advice about how to build the world the 18 stories in this volume are creation myth part i creation myth part ii coyote s adventures coyote and muskrat coyote the mountain tossing people and the wind man thunder boy and lizard man thunder boy and lizard man variant thunder and mosquito and the theft of fire sun man and frog woman the girls who married the stars rolling skull night hawk man the serpent lover bat man the frightener fisher man mountain lion and his children mouse man of particular interest in native american folklore is their creation myths the volcano mount lassen also known as lassen peak erupted often enough in prehistoric times to form the mountain so it is little wonder the indians in the northeast corner of california believed the world began there at the desire of a great man back when the earth resembled a molten mass when it cooled they believed that the deity made a woman to live with him and from those two came all humans including the maidu a second belief existed among some maidu as to their origin this legend starts with the belief that the tribe once inhabited the sacramento valley one day an immense body of water

overcame everyone and everything in the valley was swept away this ocean covered the entire valley and allowed only two persons to escape the great man blessed this pair and they produced offspring from which the present people came while both myths have parallels with the biblical stories of creation whatever the truth maidu folklore are an important part of native american culture so join with us and journey back to a time when these stories were told around campfires to the delight of young and old alike 10 of the net sale will be donated to charities keywords tags maidu folklore fairy tales myths and legends fables central sierra nevada california yosemite creation myth part i part ii coyote action adventure muskrat mountain tossing people wind man thunder boy lizard man thunder mosquito theft of fire sun man frog woman girls marry stars rolling skull night hawk man serpent lover bat man frightener fisher man mountain lion children mouse man campfire stories mount lassen lassen peak sacramento valley great man roland b dixon earth maker native american american indian culture north america usa american indian children native american children native american tribe american indian tribe native american stories american indian stories

# The Voice of the Coyote

1961-01-01

shamanism is a spiritual path that emphasizes close connections with the immediate environment as environments change so too must shamanism change but how can one distinguish between healthy innovation and corruptions of tradition coyote s council fire focuses on these and other controversial issues that have ignited the shamanic community drawing on her decades of involvement in that community loren cruden brings calm wisdom and common sense to these subjects along with her perspective are the words of contributors such as brooke medicine eagle grey wolf jamie sams and ed eagle man mcgaa reflecting the diversity of opinion within the native american community while the contributions of nina wolf axis and sandra ingerman suggest the variety of ways in which non natives have incorporated shamanism into their lives throughout the book are meditations and exercises that help the reader explore his or her own attitudes and assumptions toward matters of race gender and community for anyone interested in shamanism native american affairs or the role of spirituality in a
