Macao Business and Investment Opportunities Yearbook Volume 3 Investment Opportunities, Projects, Contacts 2013-08 excerpt from opportunities in the motion picture industry vol 3 and how to qualify for positions in its many branches there are of course some actors and actresses so versatile that they can enact any type of role but most of them specialize in some particular sort of characterization and why not all other art forms are expressed in a variety of ways one artist specializes in etchings another uses pastels and a third will devote his time to portraits in oils each has of course mastered the technique and he could work with other media but he is at his best when using that one with which he has specialized so it is with acting and particularly acting for the screen it is needless to mention the fact that the screen demands a great deal more from its recruits than does the stage but this bugaboo has been greatly exaggerated and has discouraged many persons who possess real talent the amateur and particularly the woman does not often realize the extent of her ability the urge for expres sion is there and the desire to act often her greatest asset lies in some little peculiarity that she has constantly bewailed about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Opportunities in the Motion Picture Industry, Vol. 3 2016-07-11 excerpt from montana vol 3 resources and opportunities edition august 1928 the reader will find the book broken into the following general sub divisions history geography and climate transportation recreational areas the people and institutions the industries and the counties the aim has been to set forth information of practical value and to leave even the casual reader with a fairly complete bird s eye picture of the state about the publisher forgotten books publishes hundreds of thousands of rare and classic
