unglaublich amüsant und kultverdächtig paul sussman erzählt in seinem roman das letzte geständnis des raphael ignatius phoenix mit viel schwarzem humor von einem skurrilen aber doch irgendwie liebenswerten alten mann und seiner fast das ganze 20 jahrhundert umspannenden lebensgeschichte raphael ignatius phoenix hat stil manchmal lebt er seinen leichten hang zur exzentrik aus aber letztlich geht ihm nichts über eleganz und geordnete verhältnisse daher ist es selbstverständlich dass er zu seinem bevorstehenden 100 geburtstag ein geständnis ablegt denn sein ehrentag wird der tag seines todes sein und da es sich nicht schickt einfach so aus der welt zu scheiden schreibt er zuvor den längsten abschiedsbrief aller zeiten und beichtet ganz nebenbei zehn morde die ihm unter anderem mit hilfe eines halloween kürbisses der reißeleine eines heißluftballons und eines erdbeer sahnehörnchens unterlaufen sind ungezügelt exzentrisch und unterhaltsam the guardian

in sex and the catholic feminist browder challenges the notion that you can t be a feminist and believe in god she echoes john paul ii s call for catholics to embody a new feminism a radical new view of women s dignity her goal in this book is to follow one golden thread of feminism in america the pro life thread to show why it has been ignored by the media and left out of public conversation for fifty years for browder the pro life movement is about more than abortion and contraception it s about loving and respecting all human life while tracing the history of feminism in america browder discovered at the core of these various feminist movements a search for personhood where do women place their identity and find their fulfillment browder ultimately concludes that in our noisy consumerist society placing one s identity anywhere other than in god will prove disappointing and unfulfilling my hope is that some thoughts presented here will spark a new conversation and help heal one of the deepest political divisions in our nation sue ellen browder

though the devotional life is sometimes brushed off as unimportant in comparison to a theological understanding of christ groeschel warns that such dismissal threatens to make distant unknown and obscure the savior who said i am with you always instead the answer is to draw near to jesus in devotion and with authentic expressions of that devotion which themselves help paint the image of christ found concretely in revelation onto the minds and into the daily life of the devout

a study of the history and meaning of personal devotion to jesus christ for catholic orthodox and protestant christians the devotional life of christians over the two millennia since jesus birth has been one of motion changing and growing in response to the challenges presented to the church the temperaments of newly baptized nations and controversies about how we can and should relate to god and yet the core of authentic christian devotion has not changed it remains today as it was in the time of the church fathers the trusting and personal encounter with christ that is both open and foundational to the life of all christian believers in this book the well known spiritual writer and teacher fr benedict groeschel c f r surveys the development and trials of christian devotion from the days of the martyrs until the twentieth century tracking it through the centuries and among sadly divided branches of christianity he finds a commonality of experience and even of language that is constantly ignored among christians themselves by observing what image of christ the canvas of common devotion portrays he hopes we will move not to discredit this image but to sharpen it and make it more consistent with the new testament and the ancient church though the devotional life is sometimes brushed off as unimportant in comparison to a theological understanding of christ groeschel warns that such dismissal threatens to make distant unknown and obscure the savior who said i am with you always the answer instead is to draw near to jesus in devotion and with authentic expressions of that devotion which themselves help paint the image of christ found concretely in revelation onto the minds and daily life of the devout begun on a pilgrimage to the holy land and the result of years of preparation and a whole life of guiding people as priest public preacher psychologist and spiritual director this book will help catholic orthodox and protestant believers gain not only a comprehensive view of how pious christians over the centuries have lived out their devotion to god but the examples and perspective they need to live more devoutly today
