**The Water Of Life** 2011-08-31 in this revolutionary treatise j w armstrong puts the compelling case that all diseases except those caused by traumatism or structural disorders can be cured by one simple means urine therapy the therapy is an entirely natural treatment a drugless system of healing that treats the body as a whole moreover the only ingredient needed is a substance manufactured in the body itself rich in mineral salts hormones and other vital substances namely human urine it may seem strange to take back into the body something that the body is apparently discarding yet the theory is similar to the natural practice of organic composting fallen leaves when dug back into the soil provide valuable mineral salts to nourish new plant life the same principle holds true for the human body

Una Larga Travesía Hasta El Agua 2020-11-24 the new york times bestseller a long walk to water begins as two stories told in alternating sections about two eleven year olds in sudan a girl in 2008 and a boy in 1985 the girl nya is fetching water from a pond that is two hours walk from her home she makes two trips to the pond every day the boy salva becomes one of the lost boys of sudan refugees who cover the african continent on foot as they search for their families and for a safe place to stay enduring every hardship from loneliness to attack by armed rebels to contact with killer lions and crocodiles salva is a survivor and his story goes on to intersect with nya s in an astonishing and moving way

**Like Water for Chocolate** 1993 the number one bestseller in mexico and america for almost two years and subsequently a bestseller around the world like water for chocolate is a romantic poignant tale touched with moments of magic graphic earthiness bittersweet wit and recipes a sumptuous feast of a novel it relates the bizarre history of the all female de la garza family tita the youngest daughter of the house has been forbidden to marry condemned by mexican tradition to look after her mother until she dies but tita falls in love with pedro and he is seduced by the magical food she cooks in desperation pedro marries her sister rosaura so that he can stay close to her for the next twenty two years tita and pedro are forced to circle each other in unconsummated passion only a freakish chain of tragedies bad luck and fate finally reunite them against all the odds
