a collection of various illinois newspapers containing news coverage of the newspaper collection at the university of illinois at urbana champaign library issued from july to october 1956

### ***General Newspapers in Microform 1977***

this book takes a fresh look at the role of the newspaper in united states civic culture unlike other histories which focus only on the content of newspapers this book digs deeper into ways of writing systems of organizing content and genres of presentation including typography and pictures the authors examine how these elements have combined to give newspapers a distinctive look at every historical moment from the colonial to the digital eras they reveal how the changing form of news reflects such major social forces as the rise of mass politics the industrial revolution the growth of the market economy the course of modernism and the emergence of the internet whether serving as town meeting court of opinion marketplace social map or catalog of diversions news forms are also shown to embody cultural authority allowing readers to see and relate to the world from a particular perspective including over 70 illustrations the book explores such compelling themes as the role of news in a democratic society the relationship between news and visual culture and the ways newspapers have shaped the meaning of citizenship winner of the international communication association outstanding book award

### ***Failing Newspaper Act 1968***

this book explores how journalists at local metro papers in a south western china metropolis give meaning to their work and how these meanings are shaped by the specific

social environment within which these journalists operate these metro papers provide the bulk of daily news to the general public in china yet are often understudied compared to the country's party news outlets informed by fieldwork in four metro newspapers the book puts forward a grounded theory for exploring journalists occupational culture the aspiration frustration reconciliation framework
