An Iranian Town in Transition 2000

an iranian town in transition deals with the social and economic history of tabriz a town in north west iran and the centre of the historical province azerbaijan the focus of this study is on the notables of the town in an epoch of fundamental change that stretches from the mid eighteenth to the mid nineteenth century far from narrating a simple history of events the study addresses major questions related to endowments waqf the workings of the shiite judiciary urban and provincial administration the changing role of the ulama and tenure of landed property in concrete case studies with its wide perspective on developments in urban society the study interprets the process of social change in the transitional period from the zands to the qajars as a crucial starting point for the modern history of iran stressing the importance of indigenous sources for this period the author drew heavily on hitherto neglected persian archival material a large number of documents deeds and court protocols are included in critical edition in the appendix

Standard Finance System (STANFINS) 1988

the takeover boom that began in the mid 1980s has exhibited many phenomena not previously observed such as hostile takeovers and takeover defenses a widespread use of cash as a means of payment for targeted firms and the acquisitions of companies ranking among the largest in the country with the aim of more fully understanding the implications of such occurrences contributors to this volume consider a broad range of issues as they analyze mergers and acquisitions and study the takeoveer process itself

Corporate Takeovers 2013-12-30
