classic feeling storytelling with bags of charm fans of thrilling animal adventure and enchanting underground worlds will fall in love with wishyouwas it s 1952 in smog shrouded london christmas might be fast approaching but with her mum away and uncle frank busy running the post office penny black is lonelier than ever all that changes when penny discovers a small fluffy funny springy and most importantly talking creature in the post office one night trying to make off with a letter but wishyouwas is no thief he s a sorter and he soon introduces penny to a fascinating secret world hidden in the tunnels underneath the city s streets self appointed guardians of lost mail the sorters have dedicated their lives to rescuing letters that have gone astray and making sure they get delivered to their rightful owners penny is determined to protect the sorters but how long will she be able to keep them safe with stanley scrawl the sinister royal mail rat catcher on the prowl can penny save the sorters and deliver a joyful christmas with beautiful black and white illustrations and embellishments from the talented penny neville lee and an extra special surprise beneath the jacket wishyouwas is a gorgeous hardback to gift and treasure

The Winter Garden 2021-09-02

welcome to the winter garden open only at 13 o clock you are invited to enter an unusual competition i am looking for the most magical spectacular remarkable pleasure garden this world has to offer on the night her mother dies 8 year old beatrice receives an invitation to the mysterious winter garden a place of wonder and magic filled with all manner of strange and spectacular flora and fauna the garden is her solace every night for seven days but when the garden disappears and no one believes her story beatrice is left to wonder if it were truly real eighteen years later on the eve of her wedding to a man her late father approved of but she does not love beatrice makes the decision to throw off the expectations of victorian english society and search for the garden but when both she and her closest friend rosa receive invitations to compete to create spectacular pleasure gardens with the prize being one wish from the last of the winter garden s magic she realises she may be closer to finding it than she ever imagined now all she has to do is win

Alexander of Aphrodisias: On the Soul 2014-04-22

around 200 ad the greatest defender and interpreter of aristotle within his

school alexander of aphrodisias composed his own book on the soul partly following the pattern of aristotle s in the first half translated in this volume he discusses the soul as the form of the body and the idea of parts or powers that constitute the soul of living things including the two lowest powers nutrition and perception in the second half translated in part ii he discusses perception representation desire understanding and a notion emphasised by the stoics the governing part of the soul he takes the soul to consist of these powers which supervene on the mixture of the body s elemental ingredients just as inanimate powers like buoyancy or lightness can supervene on other qualities they are new emergent causal powers of the living thing which do not belong to the constituent ingredients of the body in themselves through his notion of emergence he seeks to steer between the platonic dualism of soul and body and the extreme materialism of his stoic rivals this volume contains the first english translation of the work as well as a detailed introduction extensive explanatory notes and a bibliography

The Next Thing on My List 2008-03-25

you ll be hooked by this charming story smolinski gives us a quick witted heroine with just the right amount of romance and a tad of suspense richmond times dispatch after a car accident in which her passenger marissa dies june parker finds herself in possession of a list marissa has written 20 things to do by my 25th birthday the tasks range from inspiring run a 5k to daring go braless to near impossible change someone s life to assuage her guilt june races to achieve each goal herself before the deadline learning more about her own life than she ever bargained for

Thirty Years' Correspondence, Between John Jebb ... and Alexander Knox ... 1835

jason cashman has reached the goal he spent the last twenty years seeking but instead of feeling content he feels empty when he meets alexandra lopez a ten year old america loving girl facing deportation he is inspired by his old friend murray mcbride to give her five wishes before she must leave they set out to check off as many wishes as possible but when jason s transplanted heart begins to fail he must choose between his obligations to the past and his hope for a future

The Works of Alexander Pope Esq 1757

from internationally bestselling author alexandra adornetto comes the powerful conclusion to ghost house in the sequel to the page turning ghost house alexander reade turns up at sycamore high not remembering how he got there but worse he doesn't remember chloe kennedy and believes he has come back to search for his lost love isobel chloe soon realizes that alex needs her help surviving in the modern world with his looks and the way he speaks it's as though he's from another century which he is in fact alex has been dead for 157 years but that doesn't change how chloe feels about him chloe begins to experience dreams that take her to a past life and realizes they are linked to isobel but when isobel appears alex and chloe must accept that the past and the present have collided chloe is being hunted by isobel who is just as vengeful as ever and out to destroy any bond between alex and chloe and she will do so no matter the cost

Perspectives on Panopolis: An Egyptian town from Alexander the Great to the Arab Conquest

2020-03-23

seventy two stunning findings about alexander the great and the assassin of alexander the great is finally identified who killed alexander the great after over two thousand years of speculation the assassin of alexander is finally identified to verify the truth this historical narrative searches through a mass of conflicting records including indian and greek classical texts by assimilating new information from multiple sources ajith kumar stitches together this scattered history with 72 pieces of fresh evidence to solve the perplexing murder mystery alexander's destiny it seems was determined the moment he stepped into taxila in india in 326 bc as he was helplessly trapped in a different world where an invisible enemy was leading a secret war against him the arthashastra of chanakya an epic treatise on statecraft and warfare presents the multiple strategies of the secret war which diverted and decimated the greek army and

killed its supreme commander in the murder of alexander the great book 2 the secret war ajith kumar presents a new version of ancient history that still remains hidden in ancient indian texts the puzzling mystery behind alexander s premature death is documented in chanakya s arthashastra a military manual of ancient india which reveals devastating effects of the secret war strategy employed by the indians during the greek invasion in 326 bc the exotic weapon that killed alexander is named as the destroyer of time in the arthashastra a military manual and the sanskrit puranas the puranas also hold untold chapters of hidden history which reveal how the indians decisively destroyed the worldwide empire of alexander the great and changed the world for ever the two millennium old murder mystery takes us back in time to the farthest corners of the primitive world only to end in a stunning climax that lays bare the elusive assassin of alexander

a funny and enchanting romcom from the author of confessions of a forty something f k up if only you knew then what you know now imagine if you could go back ten years and meet your younger self what advice would you give wear sun cream stay away from those pvc trousers he s the one don t let him go for charlotte merryweather there s no need to imagine she s about to find out for real alexandra potter s deliciously funny and enchanting romantic comedy looks at life love and what might happen if you could turn back time

The Medieval French Alexander 2012-02-01

from antiquity until now most writers who have chronicled the events following the death of alexander the great have viewed this history through the careers ambitions and perspectives of alexander s elite successors few historians have probed the experiences and attitudes of the ordinary soldiers who followed alexander on his campaigns and who were divided among his successors as they fought for control of his empire after his death yet the veterans played an important role in helping to shape the character and contours of the hellenistic world this pathfinding book offers the first in depth investigation of the macedonian veterans experience during a crucial turning point in greek history 323 316 bce joseph roisman discusses the military social and political circumstances that shaped the history of alexander s veterans giving special attention to issues such as the soldiers conduct on and off the battlefield the army assemblies the volatile relationship between the troops and their generals and other related themes all from the perspective of the rank and file roisman also reexamines the biases of the ancient sources and how they affected ancient and modern depictions of alexander s veterans as well as alexander s conflicts with his army the veterans motives and goals and their political contributions to hellenistic history he pays special attention to the silver shields a group of macedonian veterans famous for their invincibility and martial prowess and assesses whether or not they deserved their formidable reputation

Who's That Girl? 2009-09-17

the alexander romance is a difficult text to define and to assess justly from its earliest days it was an open text which was adapted into a variety of cultures with meanings that themselves vary and yet seem to carry a strong undercurrent of homogeneity alexander is the hero who cannot become a god and who encapsulates the desires and strivings of the host cultures the papers assembled in this volume which were originally presented at a conference at the university of wroc aw poland in october 2015 all face the challenge of defining the alexander romance some focus on quite specific topics while others address more overarching themes they form a cohesive set of approaches to the delicate positioning of the text between history and literature from its earliest elements in hellenistic egypt to its latest reworkings in the byzantine and islamic middle east the alexander romance shows itself to be a work that steadily engages with such questions as kingship the limits of human and greek nature and the purpose of history the romance began as a history but only by becoming literature could it achieve such a deep penetration of east and west

Alexander's Veterans and the Early Wars of the Successors 2012-05-01

in metaphysics 4 aristotle discusses the nature of metaphysics the basic laws of logic the falsity of subjectivism and the different types of ambiguity the full clear commentary of alexander of aphrodisias on this important book is here translated into english by arthur madigan alexander goes through aristotle s text practically line by line attending to the logical sequence of the arguments noting places where aristotle s words will bear more than one interpretation and marking variant readings he repeatedly cross refers to the de interpretatione analytics physics and other works of aristotle thus placing metaphysics 4 in the content of aristotle s philosophy as a whole

The Alexander Romance 2018-10-22

shortlisted for oscar s book prize 2022 an uplifting magical book perfect for sharing at bedtime that will leave children feeling warm cosy and loved freya and her mum have gone to a little cabin to get away for a while the light has gone out of their lives since freya s dad passed away freya isn t sure about going sledging but when she meets a magical fox in the snow she can t help but follow him into the forest and on to a thrilling adventure a heartwarming bedtime story inspired by the finnish saami myth of the revontulet or fox fires the sparks that

fly from the fur of a mystical fox to become the northern lights the fire fox is a gloriously illustrated beautifully written story about the nurturing light of love that can't be dimmed written by debut author alexandra page and illustrated by the exciting talent stef murphy this enchanting picture book with its touching story of sadness hope love and joy begs to be read again and again

Letters of Mr. Alexander Pope, and Several of His Friends 1737

focusing on the medieval reception of book zeta of aristotle's metaphysics volume one of this work offers an unprecedented and philosophically oriented study of medieval ontology against the background of the current metaphysical debate on the nature of material objects volume two makes available to scholars one of the culminating points in the medieval reception of aristotle's metaphysical thought by presenting the first critical edition of book vii of paul of venice's commentary on aristotle's metaphysics 1420-1424

Forty Years' Familiar Letters of James W. Alexander, D. D. 1860

after more than forty years still the worst day ever now a major film starring steve carrell jennifer garner and bella thorne read the inspiration behind the new major film starring steve carrell jennifer garner and bella thorne he could tell it was going to be a terrible horrible no good very bad day he went to sleep with gum in his mouth and woke up with gum in his hair when he got out of bed he tripped over his skateboard and by mistake dropped his sweater in the sink while the water was running what do you do on a day like that well you may think about going to australia you may also be glad to find that some days are like that for other people too this funny and endearing story has delighted readers for more than forty years and is the inspiration behind the upcoming film starring jennifer garner and steve carrell

Alexander of Aphrodisias: On Aristotle Metaphysics 4 2014-04-10

with praise from dorie greenspan jim lahey and david lebovitz the definitive bread baking book for a new generation but this book isn't just about baking bread it's about what to do with the slices and heels and nubs from those many loaves you'll bake alexandra stafford grew up eating her mother's peasant bread at nearly every meal the recipe for which was a closely guarded family secret

when her blog alexandra s kitchen began to grow in popularity readers started asking how to make the bread they d heard so much about the bread they had seen peeking into photos finally alexandra s mother relented and the recipe went up on the internet it has since inspired many who had deemed bread baking an impossibility to give it a try and their results have exceeded expectations the secret is in its simplicity the no knead dough comes together in fewer than five minutes rises in an hour and after a second short rise bakes in buttered bowls after you master the famous peasant bread you ll work your way through its many variations both in flavor cornmeal jalapeno and jack three seed and form cranberry walnut dinner rolls cinnamon sugar monkey bread you ll enjoy bread s usual utilities with food cart grilled cheese and the summer tartine with burrata and avocado but then you ll discover its true versatility when you use it to sop up mussels with shallot and white wine or juicy roast chicken legs finally you ll find ways to savor every last bite from panzanella salad three ways to roasted tomato soup to no bake chocolate coconut cookies bread toast crumbs is a 2018 nominee for the iacp julia child first book award and alexandra s kitchen was a finalist for the saveur blog awards most inspired weeknight dinners 2016

The Fire Fox 2021-10-28

a unique backstory of alexander and his successors the biased historians deceits wars generals and the tale of the literature that preserved them babylon mid june 323 bce the gateway of the gods prostrated in the summer palace of nebuchadrezzar ii on the east bank of the euphrates wracked by fever and having barely survived another night king alexander iii the rule of macedonia for 12 years and 7 months had his senior officers congregate at his bedside abandoned by fortune and the healing god asclepius he finally acknowledged he was dying some 2 340 years on five barely intact accounts survive to tell a hardly coherent story at times in close accord though more often contradictory they conclude with a melee of death scene rehashes all of them suspicious the first portrayed alexander dying silent and intestate he was homeric and vocal in the second the third detailed his last will and testament though it is attached to the stuff of romance which account do we trust in search of the lost testament of alexander the great is the result of a decade of contemplations on alexander presented as a rich thematic narrative grant describes as the backstory behind the history of the great macedonian and his generals taking an uncompromising investigative perspective grant delves into the challenges faced by alexander s unique tale the forgeries and biased historians the influences of rhetoric romance philosophy and religion on what was written and how alexander s own mercurial personality is vividly dissected and the careers and the wars of his successors are presented with a unique eye but the book never loses sight of

central aim to unravel the mystery behind alexander s unconvincingly reported intestate death and out of grant s research emerges one unavoidable verdict after 2 340 years the last will and testament of alexander iii of macedonia needs to be extracted from romance and reinstated to its rightful place in mainstream history babylon in june 323 bce although the result a decade of academic research in search of the lost testament of alexander the great is written in an entertaining and engaging style that opens the subject to both scholars and the casual reader of history looking to learn more about the macedonian king and the men who made his story it concludes with a wholly new interpretation of the death of alexander the great and the mechanism behind the wars of succession that followed

The Medieval Reception of Book Zeta of Aristotle's Metaphysics (2 Vol. Set) 2012-11-09

never ending sugar cookies hockey on the beach christmas décor galore who can be blue on mistletoe key kelly griffin grew up on mistletoe key and is so over it the fake snow the jangly jingle bells the forced cheer ugh so over it all she wants for christmas is to never have to think about christmas again but leaving the only home she s ever known and starting over where no one knows her name is an impossible wish enter the one man who knows all about what kelly has lost hunter blue bowen a hockey superstar trying to keep a low profile while recovering from his career threatening injuries blue starts to fall in love with the kitschy charm of the island and its grinchiest resident kelly s wish could come true if mr hockey god would just buy out her half of the property but leaving the island also means leaving blue alone under the mistletoe and that s something she s not sure she can do blue christmas book 2 of the mistletoe key series is a charming island holiday romance for fans of jill shalvis lucy parker and lauren layne

Alexander and the terrible, horrible, no good, very bad day 2014-09-11

this book presents for the first time in english a detailed study of the closest friends and most trusted commanders of alexander the great their career progress their rivalry with one another and their influence on alexander the marshals of alexander s empire is a blend of biography and prosopography that sheds light on some of the most dynamic individuals of the age of alexander

Bread Toast Crumbs 2017-04-04

coping with loss the grieving process ty alexander of gorgeous in grey is one of the top bloggers today she has a tremendous personal connection with her readers this is never more apparent than when she speaks about her mother the pain of loss is universal yet we all grieve differently for alexander the grieving process is one that she lives with day to day learning from her pain alexander connects with her readers on a deeply emotional level in her debut book things i wish i knew before my mom died coping with loss every day from grief counseling to sharing insightful true stories alexander offers comfort reassurance and hope in the face of sorrow coping with loss in her early 20 s reality smacked ty in the face she was ill equipped to deal with the emotional and intellectual rollercoaster of dealing with her mom s illness through her own trial and error she found a way to be a caregiver patient advocate researcher and a grieving daughter she wrote things i wish i knew before my mom died coping with loss every day to help others find the best way to cope and move on however one personally decides what that means mourning and remembrance in the chapters of this soul touching book mourners will find meaning and wisdom in grieving and the love that will always remain each chapter is a study and lesson in coping with loss chapter 1 we ve been duped everyone dies chapter 2 the truth about my moderately dysfunctional family chapter 3 the art of losing chapter 4 the how of grieving chapter 5 how to be obsessively grateful chapter 6 dear mama

In Search Of The Lost Testament of Alexander the Great 2017-01-28

the most famous pharaoh of ancient egypt was arguably one of the last kings of km t egypt he bears a name known to every child under pharaoh alexander egypt reached its widest extension and was afforded more protection than ever before his golden horus name characterises alexander as the ruler of all the sun encircles and the strong bull who protects egypt alexander the great gave birth to a new dynasty the 32nd of ancient egypt alexandria the leading city of the known world in the 3rd and 2nd century bc was founded but what remains of pharaoh alexander where is his tomb where is his sarcophagus where is his mummy the key to the answers is reusing we recycle paper we reuse iron in the 17th century spaniards recycled inca gold in the late 4th century christians repurposed pagan temples why should phoenicians macedonians and egyptians not have reused the outstanding artefacts of alexander the great historical archaeological and artistic evidence is presented for two of the most intriguing artefacts of alexander the great both are still readily accessible and can be

admired by any traveller both artefacts were reused in the late 4th respectively in the mid 3rd century bc this reuse fogged their identification and led to misinterpretations one artefact of the greatest conqueror of the ancient world was discovered more than 130 years ago the other has been known of for more than 50 years in both cases layers of accretions obscured the identity of their owner even worse renowned scholars attribute these artefacts to the person who reused them these artefacts are alexander s monumental tomb and his unparalleled sarcophagus it will be further revealed that alexander was subsequently entombed at three egyptian localities and that his body rested in two further sarcophagi some scholars suggest that also the third and most personal artefact of alexander the great was reused in the 4th century ad namely his mummified body does archaeological or historical evidence support the veneration of alexanders mummy as saint mark in venice or near alexander s temple in the bahariya oasis in egypt or is alexander s body still in existence under the alabaster tomb or in the soma of alexandria a testimony to this last question is available in written form for more than 1600 years but was overlooked thereby the identity of the builder of alexander s temple at bahariya oasis and the identity of saint mark at venice will be revealed

added, A Life of the author. [With a portrait].
1815***

this substantially revised and updated second edition of the marshals of alexander s empire 1992 examines alexander s most important officers who commanded army units and were involved in military and political deliberations chapters on these men have been expanded giving greater attention to personalities bias in the sources and the social as well as military setting including more on familial connections and regional origins in an attempt to create a better understanding of factions the major confrontations military and political are treated in greater detail within the biographies and a discussion of the organization and command structure of the makedonian army has been added

Blue Christmas 2018-01-04

a re assessment of alexander the great s death exposing a conspiracy by

alexander s generals after his death to undermine his empire alexander the great conquered the largest empire the world had ever seen while still in his twenties but fell fatally ill in babylon before reaching 33 years old his wife roxanne was still pregnant with what would be his only legitimate son so there was no clear cut heir the surviving accounts of his dying days differ on crucial detail with the most popular version claiming alexander uttered to the strongest when asked to nominate a successor on his deathbed decades of civil war ensued as alexander s hard won empire was torn asunder by generals in the bloody funeral games his alleged final words heralded in the fighting for supremacy inevitably led to the extermination of his bloodline but was alexander really so short sighted and irresponsible finally after 2 340 years the mystery is unravelled in a forensic first david grant presents a compelling case for what he terms the greatest succession cover up of all time alexander s lost last will and testament is given new credibility and grant deciphers events that led to its erasure from history by the generals who wanted to carve up the empire for themselves
